WHEREAS, the Executive Office of Health and Human Services (“EOHHS”) and the Contractor identified in **Appendix L** (“Contractor”) entered into the Contract effective August 25, 2017, and with an Operational Start Date of March 1, 2018, to improve the MassHealth Member experience of care, health of the population, and efficiency of the MassHealth program by substantially shifting towards accountable and integrated models of care and to provide comprehensive health care coverage to MassHealth Members; and

WHEREAS, EOHHS and the Contractor amended and restated the Contract effective January 1, 2021, (the Third Amended and Restated Primary Care Accountable Care Organization (ACO) Contract), and further amended the Contract through Amendments #1 and #2;

WHEREAS, in accordance with **Section 6.13** of the Contract, EOHHS and the Contractor desire to amend the Contract effective July 1, 2021; and

WHEREAS, EOHHS and the Contractor agree that the terms stated herein are subject to all required approvals of the federal Centers for Medicare and Medicaid Services (CMS);

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Contractor and EOHHS agree as follows:

1. **Section 2, Contractor Responsibilities**, is hereby amended by renumbering current **Section 2.4.A.1.j** as **Section 2.4.A.1.k** and inserting the following new **Section 2.4.A.1.j**:

“j. The Contractor’s Leadership Contact, who shall serve as the contact person for EOHHS’s Assistant Secretary for MassHealth and as a leadership or escalation point of contact for other MassHealth program staff; and”
2. **Section 2, Contractor Responsibilities**, is hereby amended by inserting the following new **Section 2.11**:

“Section 2.11 COVID-19 Vaccination Incentive

 - A. The Contractor shall make best efforts to maximize vaccinations of their members in accordance with the Department of Public Health guidelines. For Contract Year

2021, the Contractor shall receive a COVID-19 Vaccination Incentive Payment as set forth in **Section 4.2.B**, if by July 31, 2021, either:

1. The Contractor has a minimum of eighty percent (80%) of Enrollees residing in certain Massachusetts cities and towns, as further specified by EOHHS, who are fully vaccinated against COVID-19; or
2. Both:
 - a. The Contractor has a minimum of fifty percent (50%) of Enrollees residing in such cities and towns who are fully vaccinated against COVID-19; and
 - b. The Contractor has one of the top four highest percentages of Enrollees fully vaccinated among all MassHealth Accountable Care Partnership Plans (“ACPP”), Managed Care Organizations (“MCO”), and Primary Care Accountable Care Organizations (“PCACO”).

B. For purposes of this section, an Enrollee is considered fully vaccinated if the Enrollee has received all recommended doses of the COVID-19 vaccine regimen for the vaccine administered.”

3. **Section 4, Payment**, is hereby amended by renumbering the first paragraph of **Section 4.2** as “A” and inserting the following new **Section 4.2.B**:

“B. COVID-19 Vaccination Incentive Payment

1. For Contract Year 2021, if the Contractor achieves the vaccination target set forth in **Section 2.11**, EOHHS shall pay the Contractor a vaccination incentive payment of \$500,000.

5. **Section 4, Payment**, is hereby amended by inserting the following new **Section 4.4**:
“**Section 4.4 Loss of Program Authority**

Effective January 1, 2021, as required by CMS, should any part of the scope of work

under this contract relate to a state program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), the Contractor must do no work on that part after the effective date of the loss of program authority. The state must adjust payment to remove costs that are specific to any program or activity that is no longer authorized by law. If the Contractor works on a program or activity no longer authorized by law after the date the legal authority for the work ends, the Contractor will not be paid for that work. If the state paid the Contractor in advance to work on a no-longer-authorized program or activity and under the terms of this contract the work was to be performed after the date the legal authority ended, the payment for that work should be returned to the state. However, if the Contractor worked on a program or activity prior to the date legal authority ended for that program or activity, and the state included the cost of performing that work in its payments to the Contractor, the Contractor may keep the payment for that work even if the payment was made after the date the program or activity lost legal authority.”

6. **Appendix J, Primary Care Providers (PID/SL list for PCP Exclusivity Purposes (Section 2.2.A.1.b))** is hereby deleted in its entirety and replaced with a new **Appendix J** attached hereto.
