***Subject: FY 2021-2025 Statewide Transportation Improvement Program (STIP) Amendment #7***

Dear Mr. Mohler:

Thank you for your letter received on June 3, 2021. The Federal Highway Administration (FHWA) has reviewed the Fiscal Years (FY) 2021-2025 STIP with the following amendments and adjustments received from the Massachusetts Department of Transportation and endorsed by the relevant Metropolitan Planning Organizations (MPOs):

<u>Action</u>	<u>Organization</u>	<u>Endorsement Date</u>
4.01-4.03	Boston MPO	June 3, 2021
4.04-4.13	Cape Cod MPO	May 24, 2021
4.14	Martha's Vineyard	May 20, 2021
4.15	Merrimack Valley MPO	May 26, 2021
4.16	Old Colony MPO	May 18, 2021
4.17	Southeastern Mass MPO	May 18, 2021
4.18	Statewide	May 12, 2021

Our review consisted of ensuring that the FY 2021-2025 STIP Amendment #7 and associated FY 2021-2025 TIP Amendments adopted by each MPO are based on a continuing, comprehensive and cooperative transportation planning process that substantially meets the requirements of 23 U.S.C. 134 and 135 and 23 CFR 450. The actions listed above do not require an air quality conformity determination. Changes called for in this STIP amendment maintain financial constraint as required under 23 CFR 450.218.

Our approval of the FY 2021-2025 STIP was subject to the resolution of one corrective action, resolved on December 29, 2020. We look forward to future updates on the status of the recommendations noted in the Federal Planning Finding and the corresponding action plan going forward.

On behalf of the Federal Transit Administration, FHWA has determined that the FY 2021-2025 STIP, as revised, substantially meets all requirements and is hereby approved. As of the date of the letter, STIP Amendment #7 has also been approved in eSTIP.

Should you have any questions or concerns, please contact me at (617) 494-3113 or Andrew Reovan at (617) 494-2419.

Sincerely,
