RE: Proposed Amendment to CSB Rule 5(C)

Dear Justice Gaziano:

The Clients' Security Board would like to make a technical amendment to the current CSB Rule 5(C), which directs CSB applicants to mail their claim applications to the CSB's former address at 99 High Street. At the CSB's December 19, 2024 meeting, the Board unanimously voted to recommend that the Court adopt the proposed revised rule that is set forth in the attachment to this letter. The Board believes that this is a technical amendment that will not require publication before it can be acted on by the SJC Rules Committee, but please let me know if the Rules Committee would like us to publicize the proposed amendment or take any other action before they consider this proposed rule change.

Thank you.

Sincerely,

Linda G. Bauer
General Counsel and Executive Director
Clients' Security Board
