**RE: Town of Andover Renewal License and Issuing Authority Statement**

Dear Secretary Green:

The Town of Andover Select Board, in its capacity as cable television license Issuing Authority, awarded a renewal license to Verizon New England, Inc., effective June 26, 2024, a copy of which is transmitted herewith. The Town has requested, pursuant to 207 Code of Massachusetts Regulations 3.06, that I submit this letter on behalf of the Town as the Issuing Authority's written public statement reporting the license grant.

The Issuing Authority states as reasons for the grant that it found that the Licensee, among other things, substantially met the renewal criteria set forth in the Cable Act, 47 U.S.C. §546 and 207 CMR 3.06. Further to the foregoing, the Issuing Authority found that the Licensee has the financial, legal and technical ability qualifying it to operate a cable system under a renewal license and Licensee's proposals were reasonable to meet the cable needs of the Town and public. The Licensee's commitments to support the Town's local channels and operations were, among other things, material reasons for the Issuing Authority's renewal grant.

Please enter this statement with the Andover renewal license in the Department's files. Thank you for your attention to this matter.

Very truly yours,

  
William August

Enclosure

## **2. GRANT OF AUTHORITY; LIMITS AND RESERVATIONS**

2.1. *Grant of Authority:* Subject to the terms and conditions of this License and the Massachusetts Cable Law, the Issuing Authority hereby grants the Licensee the right to operate and maintain a Cable System along the Public Rights-of-Way within the Town, for the purpose of providing Cable Service. Reference herein to “Public Rights-of-Way” shall not be construed to be a representation or guarantee by the Town that its property rights are sufficient to permit its use for any purpose, or that the Licensee shall gain or be permitted to exercise any rights to use property in the Town greater than those already possessed by the Town or which is inconsistent with the purposes for which it was taken, purchased and/or dedicated. This License grants no authority for the Licensee to use the Public Rights-of-Way within the Town for any other purpose unless otherwise provided herein. However, nothing in this License shall be construed to prohibit the Licensee from offering any service over the Cable System that is not prohibited by federal or State law provided that any requirements for Town authorization or permitting not inconsistent with federal and State law are satisfied. The Licensee’s FTTP Network in the Public Rights-of-Way, which the Licensee has upgraded under its Title II authority, is subject to M.G.L. c. 166. The Licensee shall adhere to all applicable Town bylaws and lawful regulations of the Town regarding rights-of-way and public works matters, including rights-of-way management requirements with regard to public safety and other legitimate municipal concerns. Nothing in this Section 2.1 shall be deemed to prohibit the right of the Licensee to challenge the legality of such a Town bylaw or regulation. No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this License.

2.2. *Issuing Authority Does Not Regulate Telecommunications:* The parties recognize that the Licensee’s FTTP Network is constructed, operated and maintained as an upgrade to and/or extension of its existing Telecommunications Facilities for the provision of Non-

Cable Services. The jurisdiction of the Town over such Telecommunications Facilities is restricted by federal and State law, and the Town does not assert jurisdiction over the Licensee's FTTP Network in contravention of those limitations. Therefore, the Issuing Authority's regulatory authority under Title VI is not applicable to the construction, installation, maintenance or operation of the FTTP Network to the extent the FTTP Network is constructed, installed, maintained and operated for the purpose of upgrading and/or extending Verizon's existing Telecommunications Facilities for the provision of Non-Cable Services. Notwithstanding the foregoing, the Issuing Authority continues to have regulatory authority over Public Rights-of-Way installations to the extent permitted by M.G.L. c. 166 and applicable federal laws.

2.3. *Term:* This License shall become effective on June 26, 2024 (the "Effective Date"). The term of this License shall be five (5) years from the Effective Date unless this License is earlier revoked or terminated as provided herein.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, following the thirtieth (30) month after the Effective Date, Licensee may terminate this License upon one hundred and eighty (180) days' written notice to the Issuing Authority.

2.5. *Modification/Termination Based on VSP Requirements:*

2.5.1. If the Issuing Authority enters into any cable franchise, cable license or similar agreement with a VSP to provide Video Programming services to residential subscribers in the Town with terms or conditions materially less burdensome than those imposed by this License, Licensee and the Issuing Authority shall, within sixty (60) days of the Issuing Authority's receipt of Licensee's written notice thereof, commence negotiations to modify this License to provide that this License is not on terms or conditions materially more burdensome than the terms in any such cable franchise, cable license or similar agreement. Any modification of this License pursuant to the terms of this Section shall not trigger the requirements of 207 CMR 3.07. The PEG Grant and PEG Access Support, as respectively provided in Sections 5.3 and 5.4, will not be subject to modification under this Section 2.5.1, 2.5.2 or 2.5.3.

2.5.2. Licensee's notice pursuant to Section 2.5.1 shall specify the cable franchise, cable license or similar agreement and the materially less burdensome terms or conditions as set out in Section 2.5.1 above. Licensee shall respond to reasonable information requests from the Town, as may be necessary to review the same.

2.5.3. In the event the parties do not, subject to the procedure and criteria above, reach mutually acceptable agreement on a modification as set out above, Licensee shall in its sole discretion, have the option of exercising any of the following actions:

(i) Commencing License renewal proceedings in accordance with 47 U.S.C. 546 with the License term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Licensee's written notice to seek relief hereunder;

(ii) Terminating the License in no less than thirty-six (36) months from written notice to the Issuing Authority;

(iii) If agreed by both parties, submitting the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

(iv) If agreed by both parties, submitting the matter to mediation by a mutually acceptable mediator.

2.5.4. Modification of the PEG Grant and PEG Access Support under this License shall, as applicable, be in accordance with the terms and conditions set forth in Sections 5.3 and 5.4 hereunder. As stated above, the PEG Grant and PEG Access Support are not subject to modification under Sections 2.5.1, 2.5.2 or 2.5.3.

2.6. *Grant Not Exclusive:* This License and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Issuing Authority reserves the right to grant other licenses for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this License. Any such rights shall not be in conflict with the authority as granted by this License. Disputes between the Licensee and other parties regarding use of Public Rights-of-Way shall be resolved in accordance with applicable law.

2.7. *License Subject to Federal and State Law/Preemption:* This License is subject to and shall be governed by all applicable provisions of federal and State law and regulations as they may be amended, including but not limited to the Communications Act and the Massachusetts Cable Law. In the event that federal or State law, rules, or regulations preempt a provision or limit the enforceability of a provision of this License, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the parties hereto.

2.8. *No Waiver:*

2.8.1. The failure of the Issuing Authority on one or more occasions to exercise a right or to require compliance or performance under this License, the Massachusetts Cable Law or any other applicable law, bylaw or lawful regulation shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Issuing Authority, nor to excuse Licensee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing by the Issuing Authority.

2.8.2. The failure of the Licensee on one or more occasions to exercise a right under this License or applicable law, or to require performance under this License, shall not be deemed to constitute a waiver of such right or of performance of this License, nor shall it excuse the Issuing Authority from performance, unless such right or performance has been specifically waived in writing by the Licensee.

2.9. *Construction of Agreement:*

2.9.1. The provisions of this License shall be construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.9.3. Should any change to local bylaws, rules or regulations cause the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option the parties shall submit the matter to binding arbitration by a mutually-selected arbitrator.

2.10. *Police Powers:* Nothing in this License shall be construed to prohibit the reasonable, necessary and lawful exercise of the Town's police powers. However, if the reasonable, necessary and lawful exercise of the Town's police powers causes the Licensee's provision of Cable Services in the Town to be commercially impracticable, then the parties shall modify this License to the mutual satisfaction of both parties to ameliorate such commercial impracticability. If the parties cannot reach agreement on the above-referenced modification to this License, then, at the Licensee's option, the parties shall submit the matter to binding arbitration by a mutually-selected arbitrator.

2.11. *Compliance with Federal and State Privacy Laws:* Licensee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and State privacy laws and regulations. The parties agree that, during the term hereof, Licensee shall not be subject to any local laws or bylaws which conflict with such applicable federal and/or State privacy laws, or which would impose additional or distinct requirements upon Licensee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or State privacy laws.

**3. PROVISION OF CABLE SERVICE**

3.1. *Service Area:* Subject to the issuance of all necessary permits by the Town, the Licensee shall continue to offer Cable Service to all residential households in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the Town; (C) for periods of delay resulting from Licensee's inability to obtain authority to access rights-of-way in the Town; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments, buildings or other residential dwelling units that Licensee cannot obtain permission to access under reasonable terms and conditions after good faith negotiation, as reasonably determined by Licensee; (F) in areas, developments, buildings or other residential dwelling units where Licensee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis, including, but not limited to, circumstances where Licensee cannot access the area, development, buildings or other residential dwelling units; and (G) in areas,

developments, buildings or other residential dwelling units that are not habitable or where the Licensee determines, in good faith, that providing such service is not commercially reasonable.

3.2. *Availability of Cable Service and Standard Drops:* Licensee shall make Cable Service available to all residential dwelling units within the Town in conformance with Section 3.1 and Licensee shall not discriminate between or among any individuals in the availability of Cable Service. In the areas in which Licensee provides Cable Service, the Licensee shall be required to connect, at Licensee's expense other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of trunk or feeder lines not otherwise already served by Licensee's FTTP Network. Where a residential Subscriber connection exceeds such length, the Licensee shall be allowed to recover from such Subscriber the actual cost of connection attributable to the distance in excess of one hundred fifty (150) feet, and Licensee shall not undertake any such connection until the Subscriber consents to reimburse Licensee for the cost, the cost of which shall, if requested by the Subscriber, be disclosed to the Subscriber in advance of Licensee's work on such a connection.

3.3. *Availability of Cable Service To Businesses:* The Licensee may make Cable Service available to businesses. The Licensee may recover the actual cost incurred to connect any business to the Cable System for the provision of Cable Service. Licensee shall not undertake any such business Subscriber connection until the Subscriber consents to reimburse Licensee for the cost, the cost of which shall, if requested by the Subscriber, be disclosed to the Subscriber in advance of Licensee's work on such a connection.

3.4. *Cable Service to Public Buildings:* In accordance with applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order"), within a reasonable period of time following the Effective Date, the Licensee shall provide not less than one hundred twenty (120) days written notice to the Issuing Authority regarding the manner and process by which the Licensee shall implement the 621 Order's requirements regarding the provision of free or discounted Cable Service to public buildings under a cable license. If there is a final determination or ruling of any agency or court having jurisdiction, after exhaustion of all appeals related thereto, reversing the 621 Order such that the provision of free or discounted Cable Service to public buildings pursuant to a cable franchise should no longer be included in the calculation of franchise fees subject to the five percent (5%) statutory cap under the Communications Act, then, subject to Section 3.1, if requested in writing by the Issuing Authority within sixty (60) days following such ruling, Licensee shall provide a cable drop, an outlet and monthly Basic Service at no cost to public buildings in the Town. Without limiting the foregoing, Licensee shall comply with Section 5(e) of the Massachusetts Cable Law. The current list of public buildings is set forth in Exhibit A. The parties hereto agree that the exercise of any conditional obligations set forth in this Section 3.3 shall not constitute a modification or amendment of the License within the meaning of 207 CMR 3.07.

#### **4. SYSTEM FACILITIES**

4.1. *System Characteristics:* Licensee's Cable System shall meet or exceed the following requirements:

4.1.1. The Cable System shall be operated with an initial digital carrier passband of between 50 and 860 MHz.

4.1.2. The Cable System shall be operated to be an active two-way plant for subscriber interaction, if any, required for the selection or use of Cable Service.

4.1.3. The Cable System shall comply with applicable FCC technical standards, as such standards may be amended from time to time.

4.1.4. The Cable System shall conform in all material respects to the following standards to the extent applicable: Occupational Safety and Health Administration regulations, the National Electrical Code, the National Electrical Safety Code and the Massachusetts Electrical Code.

4.1.5. The Cable System shall be capable of passing through stereo signals to Subscribers.

4.2. *Emergency Alert System:* Licensee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable State and local EAS Plans in order that emergency messages may be distributed over the Cable System.

4.3. *Parental Control Capability:* The Licensee shall comply with all applicable requirements of federal law governing Subscribers' capability to control the reception of any channels being received on their television sets.

#### **5. PEG ACCESS SERVICES AND SUPPORT**

5.1. *PEG Access Channels:*

5.1.1. Licensee shall continue to provide capacity on its Basic Service tier for three (3) SD PEG Access Channels at no charge to the Town and PEG Access Designee. In accordance with Section 5.1.2. below, the Issuing Authority may also request one (1) HD PEG Access Channel for a total of four (4) PEG Access Channels. Licensee shall transmit all Andover PEG Access Channels and PEG Access Programming to its Subscribers consistent with the terms of this License.

5.1.2. The Licensee shall make the HD PEG Access Channel available to Issuing Authority or the PEG Access Designee, as determined by the Issuing Authority, within two hundred seventy (270) days of the Licensee's receipt of the Issuing Authority's written request for same. The Issuing Authority shall state in the request whether the HD PEG Access Channel programming shall be a simulcast of existing SD PEG Access Channel programming or distinct programming. The Issuing Authority or the PEG Access Designee, as determined by the Issuing Authority, may subsequently change the programming on the HD PEG Access Channel from an

SD PEG Access Channel simulcast in HD to distinct programming, or from distinct programming to an HD simulcast of an existing SD PEG Access Channel, upon one hundred eighty (180) days prior written notice from the Issuing Authority to the Licensee which change shall not occur more than once during the License term. To the extent permitted by law, the Licensee shall be allowed to recover from Subscribers applicable costs incurred to transmit HD PEG Access Channel programming of any type.

5.1.3. All programming content for the HD PEG Access Channel shall be transmitted to Licensee in HD-SDI format with a resolution of 720p or 1080i. The Issuing Authority expressly acknowledges that in order to view the HD PEG Access Channel, a Subscriber may be required to upgrade equipment at an additional charge.

5.1.4. The Licensee may carry PEG Access Programming within and outside the Town's jurisdictional boundaries, provided that PEG Access Programming from outside the Town which is carried in the Town shall not be cablecast on the PEG Access Channels made available to the Issuing Authority and/or the PEG Access Designee. The Licensee reserves the right to make or change PEG Access Channel assignments in its sole discretion. If a PEG Access Channel provided under this Article is not being utilized by the Town and/or the PEG Access Designee, the Licensee may utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Issuing Authority. In the event that the Issuing Authority and/or the PEG Access Designee determines to use such PEG Access capacity for PEG Access purposes, the Issuing Authority shall have the right to utilize such PEG Access Channel by providing at least sixty (60) days advance written notice to the Licensee.

## 5.2. *PEG Interconnection and Cablecasting:*

5.2.1. The Licensee shall continue to connect its Cable System to equipment owned by the Town and/or the PEG Access Designee at 30 Whittier Court (formerly known as 36R Bartlet Street), Andover, Massachusetts (the "PEG Interconnection Site"), for the purpose of Licensee's transmitting PEG Access programming to Subscribers on the cable system PEG Access channels at no charge to the Town or PEG Access Designee, and Licensee shall maintain, repair and replace equipment on its side of the demarcation to implement the foregoing. The Issuing Authority or, if designated by the Issuing Authority in writing to Licensee, the PEG Access Designee, shall be required to pay Licensee for all costs associated with: (i) any equipment upgrade where the need for the upgrade is initiated by the Issuing Authority or PEG Access Designee; (ii) relocating any connection where the need for relocation is initiated by the Issuing Authority or the PEG Access Designee; (iii) re-installing and/or replacing any connection at an existing location where the need for such re-installation and/or replacement is caused by the Town and initiated by the Issuing Authority or the PEG Access Designee; or (iv) installing any new connection if initiated by the Issuing Authority or the PEG Access Designee; provided, however, that Issuing Authority and/or PEG Access Designee responsibility for the foregoing costs is subject to the Issuing Authority's express written consent, and subject further to Licensee's prior disclosure of such costs and prior consent to same by the Issuing Authority or the PEG Access Designee. Any upgrade or change referenced in subsections (i) through (iv) above required in order for PEG Access Channel cablecasting or PEG Access Channel programming as provided to Subscribers to meet a requirement of applicable law or regulation, or in order to remedy a defect in equipment or facilities Licensee is responsible for pursuant to this License, including with

respect to video or audio quality, shall not be deemed to be “initiated” by the Issuing Authority or its PEG Access Designee.

5.2.2. The demarcation point between the Licensee’s signal processing equipment (which the Licensee shall own, install and maintain) and the Town’s and/or the PEG Access Designee’s PEG equipment shall be at the output of the Town’s and/or the PEG Access Designee’s signal processing equipment at the PEG Interconnection Site. The Town and/or the PEG Access Designee shall be solely responsible for operating its switching equipment and the picture and audio quality of all PEG Access Programming up to the demarcation point and for ensuring all PEG Access Programming is inserted on the appropriate upstream PEG Access Channel. All PEG Access Programming shall be transmitted to the Licensee in baseband, SD-SDI or HD-SDI format with either mono or stereo audio signals, and with signals received by Licensee in stereo cablecast by Licensee in stereo. Notwithstanding the foregoing, the Licensee shall not be obligated to provide the Town or PEG Access Designee with either cablecast equipment and facilities or the personnel responsible for maintaining and operating equipment and facilities on the Town’s or PEG Access Designee’s side of the demarcation point and used to generate or administer any PEG access signals, except as necessary to implement the Licensee’s responsibilities specified herein. The Issuing Authority and the Licensee shall work together in good faith to resolve any connection issues. If the Issuing Authority issues a license to, or renews a license with, a competing VSP, the competing VSP may not connect its system to Licensee’s System for the purposes of obtaining PEG Access Programming from the PEG Access Channels transmitted on Licensee’s System without Licensee’s prior written consent.

5.2.3. Licensee shall provide, install, maintain, repair and replace all equipment necessary to receive and transmit all such PEG programming and all PEG Access Channels to Subscribers, including any amplification, optical conversion, receiving, cable system headend, processing, and transmitting equipment needed. The Licensee shall monitor the PEG Access Channels for technical quality and shall ensure that they are maintained at standards the same or better than those which apply to the Cable System’s commercial channels of similar format and resolution, provided, however, that the Licensee is not responsible for the production quality of PEG Access programming productions, nor for any deficiencies in the source signal it receives from any party over which the Licensee has no control.

5.3. *PEG Grant:*

5.3.1. Licensee shall pay to the Issuing Authority, or to its PEG Access Designee if requested in writing by the Issuing Authority, a PEG Grant to be used for PEG Access Channel capital funding purposes in the total amount of Seventy-One Thousand Three Hundred Forty-Six Dollars (\$71,346.00) (the “PEG Grant”), payable as follows: Within forty-five days of the Effective Date, Licensee shall pay to the Issuing Authority the sum of Twenty-Three Thousand Seven Hundred Eighty-Two Dollars (\$23,782.00). Two (2) additional payments in the amount of Twenty-Three Thousand Seven Hundred Eighty-Two Dollars (\$23,782.00) each shall be paid by the Licensee to the Issuing Authority on the first (1st) and third (3rd) anniversaries of the Effective Date. The Issuing Authority and/or PEG Access Designee, as determined by the Issuing Authority, shall own all facilities and equipment purchased with the PEG Grant and the Licensee shall have no obligation to maintain, repair, replace or insure any equipment or facilities purchased with the PEG Grant.

5.3.2. If the Issuing Authority enters into any new or renewed cable license agreement with any other VSP which contains obligations associated with a PEG Grant or other comparable program that are lesser than the obligations set forth above, the Licensee's obligations under this Section shall be reduced, on an annual basis and upon the effective date of said agreement, to an amount equal to the lowest total payment required to be made by any such VSP to the Town. The relief available in the event of the foregoing is equitable relief going forward, and the Licensee shall not recover amounts already paid to the Town. Notwithstanding the foregoing, if at any time during the term of this License, any other such VSP ceases to provide cash grants to the Town in support of the production of local PEG programming in accordance with the terms of its respective cable license agreement, then Licensee's PEG Grant obligation shall also cease for so long as such other VSP's cash payments have ceased. The Issuing Authority shall provide notification to Licensee within thirty (30) days of such other VSP's failure to provide a cash grant in accordance with the schedule set forth in such VSP's license agreement with the Issuing Authority. Equipment, services and other in kind, non-monetary contributions to the Town by such VSP shall not count towards the cash grants referenced in this paragraph.

#### 5.4. *PEG Access Support:*

5.4.1. The Licensee shall provide annual funding to the Issuing Authority, or to the PEG Access Designee if requested in writing by the Issuing Authority, for PEG Access Channel operating support or other PEG Access Channel costs and expenses ("PEG Access Support") in the amount equal to five percent (5%) of annual Gross Revenue as defined above, subject to the limitation in Section 6.2; however, if the Town issues or renews any cable license on or after the Effective Date that provides for a lower percentage of PEG Access Support, then the percentage of the Licensee's PEG Access Support payments shall be reduced to match such lower percentage over that same time period. The Issuing Authority shall place Licensee's PEG Access Support payments in a restricted account for PEG Access purposes in the nature of a grant account or other lawful restricted special cable account and not into the general fund, which account will be under the Issuing Authority's control subject to applicable law.

5.4.2. The PEG Access Support payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Each such payment shall be accompanied by a Gross Revenue reporting form documenting, in reasonable detail, the Gross Revenue as defined above. The Licensee shall be allowed to provide an extra payment if needed to correct any payments that were incorrectly omitted, and shall have the right to offset against future payments any payments that were incorrectly submitted, in connection with the quarterly remittances, within ninety (90) days following the close of the calendar year for which such payments were applicable. For purposes of the PEG Access Support payment, the period for determining Gross Revenues shall be the preceding calendar quarter.

5.4.3. In no case shall said five percent (5.0%) payments include: (i) the PEG Grant; (ii) costs of PEG Access Channels, interconnection and cablecasting obligations required by Sections 5.1 and 5.2 above; or (iii) any other fees or payments required by applicable law, except as provided in Section 6.2, below; provided however, that said five percent (5.0%) payments shall be a Franchise Fee, and subject to the five percent (5%) cap on Franchise Fees pursuant to Section 622(h) of the Communications Act (47 U.S.C. §542(b)).

5.5. *Third-Party Financial Disclosure Forms:* If requested by the Licensee, the Issuing Authority shall provide copies of financial disclosure forms required by the Massachusetts Attorney General's Public Charities Division of any entity designated by the Issuing Authority to receive payment pursuant to Sections 5.3.1 and 5.4.1.

5.6. *PEG Operational Rules:* The Issuing Authority and/or its PEG Access Designee shall establish rules and regulations that require all local producers and users of any of the PEG facilities or Channels to assume individual responsibility for any program-based liability including but not limited to liability for copyright infringement or defamation, and to hold the Issuing Authority, the Town and the Licensee harmless for same, subject to applicable Title VI and FCC requirements. The Issuing Authority and/or the PEG Access Designee shall establish rules and regulations for use of PEG facilities consistent with, and as required by, Section 611 of the Communications Act (47 U.S.C. § 531) and this License.

5.7. *Recovery of Costs:* To the extent permitted by federal law and regulations, the Licensee shall be allowed to recover from Subscribers the costs of the PEG Grant, costs of PEG interconnection, the PEG Access Support payments, and any other costs arising from the provision of PEG services and related payments, required by this License and to accurately reflect such costs as a separately billed line item on each Subscriber's bill.

5.8. *Late Payments:* In the event that the PEG Grant, the PEG Access Support fee or the License Fee is not paid on or before the due date set forth in this License for such payments, then interest shall accrue from the due date until the date paid at the rate equal to the lesser of (i) two percent (2%) per annum above the Prime Rate, or (ii) eighteen percent (18%) per annum, in either case compounded annually.

5.9. *Listing of PEG Access Channels On Licensee's Electronic Program Guide:* If the Licensee lists PEG Access Channel program content titles on its electronic program guide in any other municipality in the State (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss in good faith with the Issuing Authority or its PEG Access Designee, the technical feasibility and commercial reasonability of listing the Town's PEG Access Channel program content titles on the Licensee's electronic program guide; however, the Licensee shall not be required to list the Town's PEG Access Channel program content titles on its electronic program guide.

5.10. *PEG Access Channel Video-On-Demand:* If the Licensee provides any other municipality in the State with PEG Access Channel programming "video-on-demand" (VOD) (other than on a test or trial basis), then it shall, upon written request of the Issuing Authority, discuss in good faith with the Issuing Authority, the technical feasibility and commercial reasonability of providing PEG Access Channel programming VOD in the Town; however, the Licensee shall not be required to provide PEG Access Channel programming VOD in the Town.

5.11. *Censorship:* Subject to Section 611(e) of the Communications Act (47 U.S.C. §531(e)), the Licensee shall comply with applicable federal laws restricting censorship or control of the content of PEG Access programming over the Cable System.

5.12. *Leased Access:* The Licensee shall comply with Section 612 of the Communications Act (47 U.S.C. § 532) with respect to designating channel capacity for commercial use.

5.13. *Non-Commercial Programming:* The Issuing Authority and PEG Access Designee shall not use the PEG Access Channels to provide for-profit commercial programming. Nothing in this Section shall prohibit the Issuing Authority or its PEG Access Designee from having memberships, sponsorships, underwriting or acknowledgements (such as underwriting and acknowledgements accepted by PBS), to the extent not otherwise prohibited by applicable law and regulation.

5.14. *No PEG Access Designee Rights:* The Issuing Authority and the Licensee herein acknowledge and agree that any PEG Access Designee is not a party to this License and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee. In particular, the Issuing Authority's written designation of the PEG Access Designee as the entity to receive payments under Sections 5.3 and 5.4 does not vest in the PEG Access Designee any right, title or privilege to receive payments under the License. The Licensee may in its sole discretion upon seventy-five (75) days written notice to the Issuing Authority cease making such payments to the PEG Access Designee and instead make payments directly to the Issuing Authority if the Issuing Authority is in non-compliance with Section 5.5 of this License.

## **6. FRANCHISE AND LICENSE FEES**

6.1. *License Fee:* Pursuant to Massachusetts Cable Law, (M.G.L. c. 166A, Section 9), the Licensee shall pay to the Town, throughout the term of this License, a license fee equal to fifty cents (\$.50) per Subscriber per year (the "License Fee"), or such other amount as may in the future be designated by applicable State law.

6.2. *Maximum Franchise Fee Obligation:* The Licensee shall not be liable for a total Franchise Fee, pursuant to this License and applicable law in excess of five percent (5%) of annual Gross Revenues (as defined in Section 1.18 above) and in accordance with the definition of the term Franchise Fee and the five percent (5%) cap on Franchise Fee(s) as set forth in Section 622 of the Communications Act, 47 U.S.C. 542 and FCC regulations and orders pursuant thereto.

6.3. *Payment Information:* In determining the License Fee, the number of Subscribers shall be measured as of December 31st of the preceding calendar year. The License Fee shall be paid no later than March 15th of each year during the term of this License.

6.4. *Limitation on Actions:* The period of limitation for recovery of any payment obligation under this License shall be three (3) years from the date on which payment by Licensee is due.

6.5. *Method of Payment:* All License Fee payments by the Licensee to the Town pursuant to this License shall be made payable to the Town and deposited with the Town Treasurer.

6.6. *Other Payment Obligations and Exclusions:*

6.6.1. Unless otherwise required by applicable law, the License Fee and Franchise Fee payments shall be in addition to and shall not constitute an offset or credit against any and all taxes or other fees or charges of general applicability which Licensee or any Affiliate shall be required to pay to the Town, or to any State or federal agency or authority, as required herein or by law; the payment of said taxes, fees or charges shall not constitute a credit or offset against the License Fee or Franchise Fee payments all of which shall be separate and distinct obligations of the Licensee and each Affiliate.

6.6.2. In accordance with Section 622(h) of the Communications Act (47 U.S.C. §542(h)), nothing in the Communications Act or this License shall be construed to limit any authority of the Issuing Authority to impose a tax, fee or other assessment of any kind on any Person (other than the Licensee) with respect to Cable Service or other communications service provided by such Person over the Cable System for which charges are assessed to Subscribers but not received by the Licensee. For any twelve (12) month period, the fees paid by any such Person with respect to any such Cable Service or other communications service shall not exceed five percent (5%) of such Person's gross revenues derived in such period from the provision of such service over the Cable System.

6.7. *Affiliates Use of System:* Use of the Cable System and the provision of Cable Services within the Town by Affiliates shall be in compliance with applicable federal and State laws and regulations.

6.8. *Tender and Acceptance; Re-computation:*

6.8.1. Tender or acceptance of any payment made pursuant to Articles 5 or 6 shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Issuing Authority may have for additional sums, including interest payable under this License.

6.8.2. If the Issuing Authority has reason to believe that any such payment is incorrect, it shall notify the Licensee thereof in writing within ninety (90) business days after receiving such payment. The Licensee shall then have ninety (90) business days after receipt of such notice to provide the Town with additional information documenting the accuracy of such payment. In the event that the Issuing Authority does not reasonably believe that such documentation supports the accuracy of such payment, then the Issuing Authority may conduct an audit of such payment, provided that the Issuing Authority shall be limited to one audit every three years during the term of this License, which audit shall be applicable to the previous three (3) year period in accordance with Section 6.4 above. If, after such audit and re-computation, the Issuing Authority determines that an additional fee is owed to the Town, then the Licensee shall be provided with a reasonable opportunity to review the results of such audit and to dispute any audit results, and shall pay any such undisputed amounts within thirty (30) business days after completion of such review.

## **7. CUSTOMER SERVICE**

7.1. *Standards:* The Licensee shall comply with the FCC's cable television customer service and notice regulations codified at 47 C.F.R. § 76.309(c), 47 C.F.R. § 76.1602, and 47 C.F.R. § 76.1603, as amended, and the billing and termination of service provisions contained in 207 CMR § 10.00, as amended. Measurement of the telephone availability standards in 47 C.F.R. § 76.309(c)(1)(ii) shall include all calls received by the Licensee at all call centers receiving calls from Subscribers, whether they are answered by a live representative, by an automated attendant, or abandoned after 30 seconds of call waiting.

7.2. *Outage Credits:* In the event that all Cable Service is interrupted for twenty-four (24) or more hours, Licensee will grant affected Subscribers a pro rata credit or rebate.

7.3. *Denial of Service:* In accordance with applicable laws and regulations, nothing in these standards shall limit the right of the Licensee to deny Cable Service for non-payment of previously provided Cable Services, refusal to pay any required deposit, theft of Cable Service, damage to the Licensee's equipment, abusive and/or threatening behavior toward the Licensee's employees or representatives, refusal to provide credit history information, refusal to allow the Licensee to validate the identity, credit history and credit worthiness via an external credit agency, or failure to abide by Licensee's terms and conditions of service.

## **8. REPORTS AND RECORDS AND PERFORMANCE EVALUATIONS**

8.1. *Open Books and Records:* Upon no less than thirty (30) business days written notice to the Licensee, the Issuing Authority or its designated authorized representative(s) shall have the right to inspect at an office of Licensee during Licensee's regular corporate business hours and on a nondisruptive basis Licensee's books and records including all documents in whatever form maintained, including electronic media, pertaining to the Cable System or the Licensee's provision of Cable Service in the Town as are reasonably necessary to ensure compliance with the terms of this License. Such notice shall specifically reference the purpose of the review, so that Licensee may organize the necessary books and records for appropriate access by the Issuing Authority or its representative(s). Licensee shall not be required to maintain any books and records for License compliance purposes longer than three (3) years, except if required by applicable law or regulation.

8.2. *Proprietary Books and Records:* If Licensee believes that the requested information is confidential and proprietary, the Licensee must provide the following documentation to the Town: (i) specific identification of the information; (ii) statement attesting to the reason(s) Licensee believes the information is confidential; and (iii) statement that the documents are available at the Licensee's designated offices within the State for inspection by the Town. The Town shall take reasonable steps to protect the proprietary and confidential nature of any books, records, Service Area maps, plans, or other Town-requested documents that are provided to the extent they are designated as such by the Licensee in accordance herewith, including, without limitation, cooperating with the Licensee's exercise of its rights to protect its confidential information from public disclosure.

8.3. *Privacy*: The Licensee shall take all reasonable steps required to ensure that it is able to provide the Town with all information that must be provided or may be requested under this License or applicable law, including the issuance of appropriate Subscriber privacy notices. The Licensee shall be responsible for redacting any data that applicable law prevents it from providing to the Town. Nothing in this Article 8 shall be read to require a Licensee to violate federal or State law protecting Subscriber privacy.

8.4. *Copying of Books and Records*: The Town shall have the right to copy any such books and records, at the Town's expense, except to the extent that the Town's review as the Issuing Authority is prohibited pursuant to applicable law.

8.5. *Complete and Accurate Records*: The Licensee shall keep complete and accurate books of account and records of its business and operations under and in connection with the License. Unless otherwise provided in this License or by applicable law, all such materials and information shall be maintained for a period of three (3) years subject to maintaining records that are the subject of a pending inquiry, if any, by the Issuing Authority for so long as the parties are addressing such inquiry and subject further to Section 6.4. Said records shall include, but not be limited to the following:

8.5.1. Records of all written complaints for a period of three (3) years after receipt by Licensee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Licensee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

8.5.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

8.5.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Licensee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

8.5.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

8.5.5. A map showing the area of coverage for the provisioning of Cable Services.

8.6. *Additional Reports*: The Licensee shall, upon written request by the Issuing Authority, provide the Issuing Authority with a copy of any documents or forms filed by the Licensee with the FCC and/or the DTC that materially pertain to the Licensee's Cable System in the Town.

8.7. *Proof of Performance Tests*: Upon written request of the Issuing Authority, the Licensee shall provide copies of performance tests required by applicable law.

8.8. *Performance Evaluations:* The Licensee, if requested in writing by the Issuing Authority, shall attend a performance evaluation hearing by or meeting with the Issuing Authority no more than once per year. Nothing in this Section shall limit any rights that the Issuing Authority may have to conduct additional hearings and/or compel the Licensee's attendance at such hearing. The Issuing Authority shall provide Licensee with the results of its performance evaluation in writing within sixty (60) days after the conclusion of such hearing.

8.9. *Quality of Service:* If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Service in the Town, then, after reasonable notice to the Licensee and a reasonable opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

## 9. INSURANCE AND INDEMNIFICATION

### 9.1. *Insurance:*

9.1.1. Licensee shall maintain in full force and effect, at its own cost and expense, during the term of this License, the following insurance coverage:

9.1.1.1. Commercial General Liability Insurance in the amount of four million dollars (\$4,000,000) per occurrence for property damage and bodily injury (including death) and six million dollars (\$6,000,000) general aggregate. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Licensee's Cable Service business in the Town.

9.1.1.2. Automobile Liability Insurance covering all owned, non-owned, hired and/or rented motor vehicles in the amount of one million dollars (\$1,000,000) combined single limit each accident for bodily injury and property damage.

9.1.1.3. Workers' Compensation Insurance meeting all legal requirements of the State and Employers' Liability Insurance in the following amounts: (A) \$100,000 Bodily Injury by Accident; (B) \$100,000 Bodily Injury by Disease each employee; and \$500,000 disease-policy limit.

9.1.2. The Town shall be included as an additional insured as their interests may appear under this License on the Commercial General Liability Insurance and Automobile Liability Insurance required herein.

9.1.3. Upon receipt of notice from its insurer(s) the Licensee shall provide the Issuing Authority with thirty (30) days' prior written notice of cancellation of any required coverage.

9.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State of Massachusetts, with an A-VII or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Division or its successor.

9.1.5. Upon written request, Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

9.2. *Indemnification:*

9.2.1. The Licensee shall, at its sole cost and expense, indemnify, hold harmless and defend the Town, its officials, officers, boards, committees, employees and agents, (hereinafter referred to as the "Town" for purposes of this Section 9.2) against any and all claims, suits, causes of action, proceedings, and judgments, whether for damages or otherwise, arising out of or alleged to arise out of or from the installation, operation, or maintenance of the Cable System. Notwithstanding the foregoing, Licensee shall not indemnify the Town for any portion of damages, liability or claims resulting from the willful misconduct or negligence of the Town, its officers, agents, employees, or for any activity or function conducted by any Person other than Licensee, its officers, agents or employees, in connection with PEG Access or the EAS.

9.2.2. The Town shall provide the Licensee with timely written notice of a claim or action for which it seeks indemnification under this Section 9.2; provided that in any event the Town shall provide the Licensee with such written notice within a period of time that allows the Licensee to take action to avoid entry of a default judgment and does not prejudice the Licensee's ability to defend the claim or action.

9.2.3. With respect to Licensee's indemnity obligations set forth in this Article 9, Licensee shall, at its own expense, provide the defense of any claims, suits, causes of action, or proceedings brought against the Town by selecting counsel of Licensee's choice to defend the claim, subject to applicable professional ethics laws and standards and the consent of the Town, which shall not unreasonably be withheld, delayed or conditioned. The Licensee shall, subject to the consent of the Issuing Authority as described herein, have the right to defend, settle or compromise any claim or action arising hereunder, so long as the settlement includes a full release of the Town with respect to the claim giving rise to Licensee's indemnification obligation. In the event that the Town does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of the otherwise agreed upon settlement.

9.2.4. Neither the provisions of this Section 9.2, nor any damages recovered by the Town shall be construed to limit the liability of the Licensee or its subcontractors for damages under this License or to excuse the faithful performance of obligations required by this License, except to the extent that any monetary damages suffered by the Town have been fully satisfied by a financial recovery under this section or other provisions of this License.

**10. PERFORMANCE BOND**

10.1. Licensee shall provide to the Town, and shall maintain throughout the term of this License, a performance bond in the Town's favor in the amount of thirty thousand dollars (\$30,000) securing the performance of Licensee's obligations under this License. The Town may not attempt to collect under this bond unless thirty (30) days have passed since the Town provided the Licensee with written notice of its intent to collect under this bond. If within this thirty (30) day time frame, Licensee gives written notice it disputes entitlement to payments from Licensee

for which it has refused to make payment, the parties shall promptly meet to attempt to resolve the dispute in good faith amongst themselves.

10.2. Nothing shall permit the amount of the bond or any replacement bond to be less than the minimum amount required by Section 10.1 above. The Licensee shall not permit the performance bond to expire or approach less than thirty (30) days prior to expiration without securing and delivering to the Town a substitute, renewal or replacement bond in conformance with applicable law. The Licensee shall not materially change the terms of said bond without the prior written consent of the Issuing Authority. Neither this section, any bond accepted pursuant thereto, nor any damages recovered thereunder shall limit the liability of the Licensee under this License. Recourse by the Town of remedies available under this Section 10 shall not be exclusive of other lawful remedies available to the Town at law and equity.

10.3. There shall be recoverable by the Town from the principal and surety, any and all amounts due to the Town and any and all damages, losses, costs, and expenses incurred by the Town resulting from the failure of the Licensee to comply with the material provisions of this License, to comply with all orders, permits and directives of any Town agency or body having jurisdiction over its acts or defaults, to pay fees or penalties due to the Town, or to pay any claims, taxes or liens due to the Town. Such losses, costs and expenses shall include, but not be limited to, reasonable attorney's fees and other associated expenses, provided that the total of such losses, costs and expenses recovered from the bond shall not exceed the amount of such bond.

## **11. TRANSFER OF LICENSE**

11.1. *Town Approval Required:* Subject to Section 617 of the Communications Act (47 U.S.C. §537) and Sections 11.2 and 11.3 below, Licensee shall not Transfer this License, voluntarily or involuntarily, directly or indirectly, to any other Person, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld or delayed. Such consent shall be given only upon a written application therefore on forms prescribed by the Cable Division and/or the FCC.

11.2. *No Consent Required For Transfers Securing Indebtedness:* The Licensee shall not be required to file an application or obtain the consent or approval of the Town for a Transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Licensee in this License, the Licensee or Cable System in order to secure indebtedness. However, the Licensee shall notify the Town within thirty (30) business days if at any time there is a mortgage or security interest granted on substantially all of the assets of the Cable System. The submission of the Licensee's audited financial statements prepared for the Licensee's bondholders shall constitute such notice.

11.3. *No Consent Required For Any Affiliate Transfers:* Unless required by applicable federal or State law, the Licensee shall not be required to file an application or obtain the consent or approval of the Town for: any Transfer of an ownership or other interest in Licensee, the Cable System, or the Cable System assets to the parent of Licensee or to another Affiliate of Licensee; any Transfer of an interest in the License or the rights held by the Licensee under this License to the parent of Licensee or to another Affiliate of Licensee; any action which is the result of a merger of the parent of Licensee; or any action which is the result of a merger of another

Affiliate of the Licensee, except to the extent that any of the foregoing are determined to be a transfer of control pursuant to 207 CMR 4.01, in which case such transaction shall be subject to the Cable Division's transfer regulations (207 CMR 4.01). However, the Licensee shall notify the Town within thirty (30) business days if at any time a Transfer covered by this Section 11.3 occurs. The transferee of any Transfer covered by this Section 11.3 shall be legally qualified to hold, and shall be bound by the terms and conditions of, this License.

11.4. *Transfer Procedures:* Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and a copy of the application and FCC Form 394 requesting any such Transfer consent. Pursuant to 207 CMR 4.03, the consent of the Issuing Authority shall be given only after a public hearing to consider the written application for Transfer. The Issuing Authority shall have one hundred twenty (120) days from the filing of a completed FCC Form 394 to take final action on it unless said one hundred twenty (120) day period is extended by applicable law, including by mutual consent of the parties. After one hundred twenty (120) days, the application shall be deemed approved, unless said one hundred twenty (120) day period is extended pursuant to applicable law, including by mutual consent of the parties.

11.5. *Non-Waiver:* The consent or approval of the Issuing Authority to any Transfer shall not constitute a waiver or release of any rights of the Town under this License, whether arising before or after the date of said Transfer.

## **12. RENEWAL OF LICENSE**

The Issuing Authority and Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this License shall be governed by and comply with the provisions of Section 626 of the Communications Act (47 U.S.C. § 546), and the applicable provision of the Massachusetts Cable Law.

## **13. ENFORCEMENT/TERMINATION OF LICENSE**

13.1. *Notice of Violation:* If at any time the Issuing Authority believes that Licensee has not complied with the terms of this License, the Issuing Authority shall informally discuss the matter with Licensee. If these discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the "Noncompliance Notice").

13.2. *Licensee's Right to Cure or Respond:* The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond to the Issuing Authority, if Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance as soon as reasonably possible, continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee's efforts and progress to remedy such noncompliance. Upon a jointly agreed upon cure of any noncompliance by the Issuing Authority and the Licensee, the Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

13.3. *Public Hearing:* In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures required by Section 13.2 above, or in the event that the alleged noncompliance is not remedied within thirty (30) days or the date projected pursuant to Section 13.2(iii) above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee with the following minimum written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Licensee the opportunity to be heard: (i) for a hearing for which the Issuing Authority states in the written notice that that revocation of the License shall not be a possible consequence – thirty (30) days written notice, and (ii) for a hearing for which the Issuing Authority does not state in the written notice that that revocation of the License shall not be a possible consequence – forty-five (45) days written notice.

13.4. *Enforcement:* Subject to applicable federal and State law, in the event the Issuing Authority, after the public hearing set forth in Section 13.3, determines that Licensee is in default of any provision of this License, the Issuing Authority may:

13.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

13.4.2. Commence an action at law for monetary damages or seek other equitable relief;

13.4.3. Submit a claim against an appropriate part of the performance bond pursuant to Section 10 above.

13.4.4. In the case of a substantial noncompliance of a material provision of this License, revoke this License in accordance with Section 13.5; and/or

13.4.5. Invoke any other lawful remedy available to the Town.

13.5. *Revocation Hearing:*

13.5.1. At the designated public hearing in which revocation is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. Unless otherwise agreed to by the parties, a complete verbatim record and transcript shall be made by the Licensee.

13.5.2. Following the public hearing where revocation is a possible consequence, the Licensee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Issuing Authority in writing and thereafter the Issuing Authority shall determine (i) whether an event of default has occurred under this License; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured by the Licensee. The Issuing Authority shall also determine whether it will revoke this License based on the information presented, or, in the reasonable discretion of the Issuing Authority, grant additional

time to the Licensee to effect any cure. If the Issuing Authority determines that it will revoke this License, the Issuing Authority shall promptly provide Licensee with a written determination setting forth the Issuing Authority's reasoning for such revocation. In accordance with applicable law, Licensee may appeal such written determination of the Issuing Authority to the Cable Division or to an appropriate court, which shall have the power to review the decision of the Issuing Authority *de novo* if permitted by applicable law. Licensee shall be entitled to such relief as the Cable Division or court finds appropriate. Such appeal must be taken within sixty (60) days of Licensee's receipt of the written determination of the Issuing Authority.

13.5.3. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this License in lieu of revocation of this License.

#### **14. MISCELLANEOUS PROVISIONS**

14.1. *Actions of Parties:* In any action by the Town or Licensee that is taken pursuant to the terms of this License, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required by either party under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

14.2. *Binding Acceptance:* This License shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns and the promises and obligations herein shall survive the expiration date hereof.

14.7. *Force Majeure:* The Licensee and the Town shall not be held in default under, or in noncompliance with, the provisions of the License, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults were caused by a Force Majeure, provided that the Licensee or Town, as applicable, takes reasonable steps under the circumstances to comply with the obligations of the License to the maximum extent possible without endangering the health or safety of the Licensee's employees or property, or the

health or safety of the Town or the public, or their property. In the event that any such delay in performance or failure to perform affects only part of the Licensee's or Town's capacity to perform, the Licensee or Town, as applicable, shall perform to the maximum extent it is able to do so in as expeditious a manner as possible under the circumstances.

14.8. *Delivery of Payments:* Licensee may use electronic funds transfer to make any payments to the Town required under this Agreement. Said electronic transfer must be in the form, including necessary explanatory information and documentation, and to the account, all as reasonably required by the Town or Issuing Authority.

14.9. *Acts or Omissions of Affiliates:* During the term of this License, the Licensee shall be liable for the acts or omissions of its Affiliates to the extent arising out of any such Affiliate's operation of the Cable System to provide Cable Services in the Town.

14.13. *Amendments:* Amendments or modifications to this License shall be mutually agreed to in writing by the parties.

14.14. *Severability:* If any section, subsection, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unenforceable by any court of competent jurisdiction or by any State or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of this License.

14.15. *No Third-Party Beneficiary:* Nothing in this License shall be construed to create or confer any legal, equitable or other rights or benefits of any nature to any third party and no third party shall have recourse to legal, equitable or other claims of any nature arising from this License. Only the Licensee and Town shall have rights hereunder.

14.16. *No Recourse Against Issuing Authority:* Pursuant to Section 635A(a) of the Communications Act (47 U.S.C. § 555a(a)), the Licensee shall have no recourse against the Issuing Authority, the Town and/or its officials, members, employees or agents other than injunctive relief or declaratory relief, arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this License.

14.17. *Town's Right of Intervention:* The Town hereby reserves the right, as authorized by applicable law and/or regulation, to intervene in any suit, action or proceeding involving this License, or any provision in this License; provided, however, that this section shall not restrict the right of the Licensee to oppose such intervention, pursuant to applicable law.

14.18. *FTTP Network Transfer Prohibition:* Under no circumstances including, without limitation, upon expiration, revocation, termination, denial of renewal of this License or

any other action to forbid or disallow Licensee from providing Cable Services, shall Licensee or its assignees be required to sell any right, title, interest, use or control of any portion of Licensee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the Town or any third party. Licensee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow Licensee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or the PEG requirements set out in this License.

14.19. *Interpretation:* The Issuing Authority and Licensee each acknowledge that it has received independent legal advice in entering into this License. In the event that a dispute arises over the meaning or application of any term(s) of this License, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the License.

14.20. *Jurisdiction:* Except as otherwise set forth in this License, exclusive jurisdiction and venue over any dispute arising out of this License shall be in a court of appropriate venue and subject matter jurisdiction located in the Commonwealth of Massachusetts, and the parties hereby agree to be subject to the personal jurisdiction of said court for the resolution of any such dispute. This provision is not intended to limit the right of either party to remove a matter to Federal or State court in Massachusetts as permitted by law.

14.21. *Counterparts:* This License may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Further, this License may be executed by facsimile, email, electronic signature or other electronic means, and so executed shall have the full force and legal effect as an executed original of this License.
