## Transmittal Letter AOH-61

**DATE:** December 2025

**TO:** Acute Outpatient Hospitals Participating in MassHealth

**FROM:** Monica Sawhney, Chief of Provider, Family, and Safety Net Programs

**RE:** *Acute Outpatient Hospital Manual: Updates to Subchapter 6*

### Revisions to Subchapter 6

This letter transmits revisions to drug codes, other Healthcare Common Procedure Coding System (HCPCS) codes, Current Procedural Terminology (CPT) codes, and special requirements or limitations for certain codes in Subchapter 6 of the *Acute Outpatient Hospital Manual*.

In addition, changes regarding drugs billed through the acute hospital outpatient setting prior authorization requirements have been made, as described below.

### Changes Effective January 1, 2026

Effective January 1, 2026, certain drugs billed through the acute hospital outpatient setting will require prior authorization (PA), as indicated on the MassHealth Drug List and in Section 603–Payable Level II HCPCS Codes in Subchapter 6 of the *Acute Outpatient Hospital Manual*.

PA requirements are defined by MassHealth's [Acute Outpatient Hospital Bulletin 44](#), or any successor bulletins thereto.

### Billing Reminder for Drugs Supplied in an Acute Outpatient Hospital

Before dispensing drugs in an Acute Outpatient Hospital, the hospital must check the MassHealth Drug List at <https://mhd1.pharmacy.services.conduent.com/MHDL/> to see if the drug is covered. Claims for drugs not listed in Subchapter 6 of the *Acute Outpatient Hospital Manual* should be billed using an unlisted code. For drugs billed with an unlisted code, a hospital must include an invoice from a wholesale drug distributor or drug manufacturer that indicates the actual acquisition cost of the drug. MassHealth reimburses a hospital for unlisted drugs at the hospital's actual acquisition cost. Additionally, a hospital must indicate strength, dose, units administered, and National Drug Code (NDC) number for every drug. When more than one drug is listed on an invoice, a hospital must indicate which drug is being billed.

## **MassHealth Website**

This transmittal letter and attached pages are available on the MassHealth website at [www.mass.gov/masshealth-transmittal-letters](http://www.mass.gov/masshealth-transmittal-letters).

## 601 Introduction

MassHealth providers must refer to the official list of Healthcare Common Procedural Coding Systems (HCPCS) codes and descriptions posted on the Centers for Medicare & Medicaid Services HCPCS website when billing for services provided to MassHealth members. For a list of billable revenue codes that may be used by acute outpatient hospitals (AOHs), please refer to Section 610 of this subchapter.

### CPT Codes

MassHealth pays for services billed using all medicine, radiology, laboratory, surgery, and anesthesia Current Procedural Terminology (CPT) codes in effect at the time of service, subject to all conditions and limitations described in MassHealth regulations at 130 CMR 410.000 and 450.000, and in the current *Acute Hospital Request for Applications*, **except** for those codes listed in Section 602 of this subchapter, CPT Category II codes ending in U, F, and CPT Category III codes ending in T.

### Level II HCPCS Codes

MassHealth pays for services billed using only those Level II HCPCS codes listed in Section 603 of this subchapter that are in effect at the time of service, subject to all conditions and limitations described in MassHealth regulations at 130 CMR 410.000 and 450.000, and in the most current *Acute Hospital Request for Applications*.

### Early and Periodic Screening, Diagnostic and Treatment Services (EPSDT)

An acute outpatient hospital provider may request prior authorization (PA) for any medically necessary service reimbursable under the federal Medicaid Act in accordance with 130 CMR 450.144, 42 U.S.C. 1396d(a), and 42 U.S.C. 1396d(r)(5) for a MassHealth Standard or CommonHealth member younger than 21 years of age, even if it is not designated as covered or payable in Subchapter 6 of the *Acute Outpatient Hospital Manual*.

## 602 Nonpayable CPT Codes

MassHealth does not ordinarily pay for services billed under the following codes and code ranges.

|       |       |       |       |       |
|-------|-------|-------|-------|-------|
| 00100 | 00147 | 00210 | 00322 | 00474 |

#### 604 Modifiers

The following service code modifiers are allowed for billing under the MassHealth *Acute Outpatient Hospital Manual* for payable services.

| <u>Modifier</u> | <u>Description</u>                                                                                                                                                                         |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 22              | Increased procedural services                                                                                                                                                              |
| 24              | Unrelated evaluation and management service by the same physician or other qualified health care professional during a postoperative period                                                |
| 25              | Significant, separately identifiable evaluation and management service by the same physician or other qualified health care professional on the same day of the procedure or other service |
| 27              | Multiple outpatient hospital E/M encounters on the same date                                                                                                                               |
| 50              | Bilateral procedure                                                                                                                                                                        |
| 52              | Reduced services                                                                                                                                                                           |
| 58              | Staged or related procedure or service by the same physician or other qualified health care professional during the postoperative period                                                   |
| 59              | Distinct procedural service                                                                                                                                                                |
| 73              | Discontinued outpatient procedure prior to anesthesia administration                                                                                                                       |
| 74              | Discontinued outpatient procedure after anesthesia administration                                                                                                                          |
| 76              | Repeat procedure or service by same physician or other qualified health care professional                                                                                                  |

|                                                                                |                                                                         |                         |

605 Modifiers for Developmental and Behavioral Health Screening, Including Postnatal Depression Screening

The administration and scoring of standardized developmental or behavioral health-screening tools, as detailed in Appendix W of your provider manual, is covered for members (except MassHealth Limited) from birth to 21 years of age. Service codes 96110 and 96127 must be billed with modifiers in accordance with Appendix Z of your provider manual.

**Service Code S3005** must be used by acute outpatient hospitals when billing MassHealth for the administration and scoring of a MassHealth-approved, standardized, perinatal depression screening tool. Code S3005 must be accompanied by one of the modifiers listed below.

| <u>Modifier</u> | <u>Description</u>                                                                                                                                    |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| U1              | Providers serving perinatal members completed prenatal or postpartum depression screening and behavioral health need identified (positive screen)     |
| U2              | Providers serving perinatal members completed prenatal or postpartum depression screening with no behavioral health need identified (negative screen) |

Please refer to the Massachusetts Department of Public Health's (DPH) postpartum depression (PPD) screening tool grid for any revisions to the list of MassHealth-approved screening tools:  
[www.mass.gov/info-details/perinatal-mood-anxiety-disorders-screening-tools-training-and-continuing-education](http://www.mass.gov/info-details/perinatal-mood-anxiety-disorders-screening-tools-training-and-continuing-education)

606 Modifiers for Tobacco Use Cessation

The following modifiers are used in combination with Service Code 99407 to report tobacco-use cessation counseling. Service Code 99407 (Smoking- and tobacco-cessation counseling visit; intensive, greater than 10 minutes) may also be billed without a modifier to report an individual smoking- and tobacco-cessation counseling visit of at least 30 minutes.

| <u>Modifier</u> | <u>Description</u>                              |
|-----------------|-------------------------------------------------|
| HQ              | Group counseling, at least 60-90 minutes        |
| TF              | Intermediate level of care, at least 45 minutes |

607 Modifier for Child and Adolescent Needs and Strengths (CANS)

| <u>Modifier</u> | <u>Description</u>                                                                                                                                                  |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HA              | Service Code 90791 must be accompanied by this modifier to indicate that the CANS is included in the assessment. This modifier may be billed only by psychiatrists. |

|                                                                                |                                                                         |                         |
|--------------------------------------------------------------------------------|-------------------------------------------------------------------------|-------------------------|

608 Modifiers for Provider Preventable Conditions that are National Coverage Determinations

| <u>Modifier</u> | <u>Description</u>                                      |
|-----------------|---------------------------------------------------------|
| PA              | Surgical or other invasive procedure on wrong body part |
| PB              | Surgical or other invasive procedure on wrong patient   |
| PC              | Wrong surgery or other invasive procedure on patient    |

609 Modifier for Behavioral Health Wellness Examination

| <u>Modifier</u> | <u>Description</u>                                                                                      |
|-----------------|---------------------------------------------------------------------------------------------------------|
| U4              | Behavioral health wellness examination provided as part of an office visit or annual preventative visit |

For more information on the use of these modifiers, see Appendix V of your provider manual.

610 Revenue Codes

The following table lists the revenue codes that acute outpatient hospitals (AOHs), including hospital-licensed health centers and other provider-based satellites, use when billing for MassHealth-covered services. Please refer to the current edition of the Ingenix Uniform Billing Editor as a guide to determine the most common revenue HCPCS code mappings. To purchase the application, go to [www.optum360coding.com](http://www.optum360coding.com).

| Revenue Code                                                | Description                                 |
|-------------------------------------------------------------|---------------------------------------------|
| <b>025X Pharmacy</b>                                        |                                             |
| 0250                                                        | General                                     |
| 0251                                                        | Generic drugs                               |
| 0252                                                        | Nongeneric drugs                            |
| 0254                                                        | Drugs incident to other diagnostic services |
| 0255                                                        | Drugs incident to radiology                 |
