## Authority

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved the denial of appellant's MassHealth long-term care application for failure to verify. The hearing record was left open for appellant's conservator to submit the requested documentation. On December 12, 2022 the MassHealth representative stated that she received the last of the documentation and received all of the verifications. The representative further stated that if the assets are spent down within 30 days she can protect the original application date of November 25, 2020. On December 14, 2022, the Hearing Officer asked appellant to withdraw from the appeal by December 16, 2022. The Hearing Officer received no response. As the issue in dispute has been resolved this appeal is dismissed.
