Procedural Background

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal was MassHealth's December 13, 2021, denial of the Appellant's application for MassHealth due to the Appellant not providing proof in the time allowed. (Exhibit 1; 130 CMR 515.008) Once the Appellant has a conservator appointed, the Appellant timely appealed. (Exhibit 2; 130 CMR 610.015(B).)

Following the hearing held on December 2, 2022, the record was left open until January 6, 2023, for the Appellant to submit necessary financial information and until January 13, 2023, for MassHealth to review the proffered information to determine the Appellant's eligibility. (Exhibit 6) Additional information was provided to MassHealth. On January 31, 2023, MassHealth responded that all verifications were received, MassHealth was willing to preserve the application date. (Exhibit 10).

As no issue on the appeal of the December 13, 2021, denial notice for missing verifications pursuant to 130 CMR 515.008 remains in dispute, this matter is DISMISSED pursuant to 130 CMR 610.051(B).
