Authority

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved eligibility due to income. At the hearing, the wife of appellant requested the record be left open to obtain an updated profit/loss statement. After the record open period closed, the hearing office contacted the MassHealth representative to inquire if appellant had offered any updated profit/loss statement. The MassHealth representative responded that income was verified on 10/4/22 and the member is active.

As the issue of income eligibility has been resolved, the appeal is dismissed.
