Procedural Background

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal was MassHealth's September 7, 2022, denial of the appellant's application for MassHealth due to the Appellant not providing proof in the time allowed. (Exhibit 1; 130 CMR 515.008) The Appellant timely appealed on October 2, 2022. (Exhibit 2; 130 CMR 610.015(B).)

Following the hearing held on November 3, 2022, the record was left open until November 18, 2022, for the Appellant to submit necessary financial information and until November 25, 2022, for MassHealth to review the proffered information to determine the Appellant's eligibility. (Exhibit 7) The Appellant provided additional information on November 14, 2022. (Exhibit 8). MassHealth responded on November 29, 2022, all verification was received, and the case was processed on November 21, 2022. (Exhibit 9).

As no issue on the appeal of the September 7, 2022¹ denial notice for missing proof pursuant to 130 CMR 515.008 remains in dispute, this matter is DISMISSED pursuant to 130 CMR 610.051(B).
