APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Nursing Home Discharge
Decision Date:	11/28/2022	Hearing Date:	11/25/2022
Governor's Center:	Richard Rogers	Appellant's Rep.:	Pro se
Hearing Location:	Taunton MassHealth Enrollment Center Room 1	Aid Pending:	No

On November 25, 2022, a hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a 30-day Notice of Intent to Discharge, dated October 26, 2022, notifying the Appellant that the nursing facility intended to discharge her effective November 25, 2022.

During the hearing the Governor's Center rescinded the notice of discharge, thus there is no current order of discharge. The Appellant acknowledged that Governor's Center had rescinded the notice and that they may issue a new notice in the future after a proper evaluation by the Appellant's physician and appropriate discharge planning has occurred. If the Governor's Center issues a new notice, the Appellant shall have full rights to appeal, with regard to the new notice, to the Board of Hearings consistent with 130 CMR 610.015 (F).

As the issue of the October 26, 2022nd Notice of Intent to Discharge has been resolved, the appeal is dismissed.
