Procedural Background

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal was MassHealth's November 7, 2022, denial of the Appellant's application for MassHealth due to the Appellant not providing proof in the time allowed. (Exhibit 1; 130 CMR 515.008) The Appellant timely appealed on November 17, 2022. (Exhibit 2; 130 CMR 610.015(B).)

Following the hearing held on December 29, 2022, the record was left open until January 20, 2023, for the Appellant to submit necessary information, including a completed application and Authorized Representative Designations, and until January 27, 2023, for MassHealth to review the proffered information to determine the Appellant's eligibility. (Exhibit 5) Additional information was provided to MassHealth. On January 31, 2023, MassHealth responded that the application was processed, and the Appellant is qualified for MassHealth CarePlus Coverage with a start date back to the original application date and that Appeal # 2208624 was completed. (Exhibit 7).

As no issue on the appeal of the November 7, 2022, denial notice for missing verifications pursuant to 130 CMR 515.008 remains in dispute, this matter is DISMISSED pursuant to 130 CMR 610.051(B).
