APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Eligibility
Decision Date:	3/22/2023	Hearing Date:	03/20/2023
MassHealth's Rep.:	M Levine	Appellant's Rep.:	Pro se
Hearing Location:	Remote	Aid Pending:	No

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a notice issued by MassHealth on or around February 8, 2023, requesting additional information to determine the Appellant's eligibility. MassHealth testified that the notice requesting additional information was sent out in error and the Appellant does not need to submit additional information. On February 14, 2023, MassHealth approved the Appellant for coverage, and he is currently covered under MassHealth Standard.

The Appellant acknowledged that he had received the February 14, 2023 approval notice, but he was confused regarding the February 8, 2023 notice. The Appellant requested this hearing to receive confirmation that he indeed had coverage and no outstanding documentation was needed by MassHealth.

After the Appellant heard the testimony of MassHealth, he reported that he was satisfied with the explanation and the issue had been resolved. Accordingly, as the issue on appeal has been resolved, this appeal is DISMISSED.
