### Procedural Background

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal was MassHealth's March 9, 2023 denial for missing verifications of the appellant's January 2023 long-term-care application. (Exhibit 1.) The appellant timely appealed on May 16, 2023. (Exhibit 1; 130 CMR 610.015(B).)

Following the hearing, the record was left open until July 7, 2023, for the appellant to submit missing verifications and MassHealth to review. Based on that review, MassHealth agreed to continue processing the appellant's January 2023 application. The appellant was over-assets, but a new denial notice would be issued that could be separately appealed. (Exhibit 4.)

As MassHealth and the appellant have resolved all issues on appeal, this matter is DISMISSED pursuant to 130 CMR 610.051(B).
