APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Eligibility -Over Income
Decision Date:	6/28/2023	Hearing Date:	06/22/2023
MassHealth's Rep.:	Chantly Kong	Appellant's Rep.:	Pro se
Hearing Location:	Remote (phone)	Aid Pending:	No

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. Appellant appealed the denial of her MassHealth application, due to her income being too high. All parties were contacted via telephone. The hearing convened, recording began and all parties were sworn. Documents 1 through 6 were marked as evidence. Post hearing, email correspondence between the parties and this hearing officer was marked as Exhibit 7.

The record was left open for appellant to inform MassHealth regarding a potential determination of disability. It was also left open in case appellant became unemployed, as she testified would be occurring shortly. Appellant contacted this hearing officer and the MassHealth representative via email and informed us her employment had been terminated. (Ex. 7). Appellant informed MassHealth of her employment status. According to the MassHealth representative, appellant was then approved for MassHealth Standard. (Ex. 7). Since the issue of the appeal was now moot, appellant agreed to withdraw her appeal. (Ex. 7).

As the appeal has been withdrawn, it is hereby dismissed. 130 CMR 610.035 (A)(2).
