Decision Date:	08/16/2023	Hearing Date:	07/25/2023
MassHealth's Rep.:	Victoria Ragbir	Appellant's Rep.:	Pro se
Hearing Location:	Remote	Aid Pending:	No

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a denial of the appellant's long-term care application for failure to provide all requested verifications within the required time frame. A record open period was requested by the appellant's representatives to ensure that MassHealth received the outstanding documentation necessary to make an eligibility determination.

On August 15, 2023, the MassHealth representative reported that she had received the necessary verifications and approved the application with an effective start date of the February 16, 2023.

As the issue of outstanding verifications has been resolved and the appeal resolved in favor the appellant, the appeal is dismissed.
