Authority

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. At issue was a notice issued on July 5, 2023 denying long-term care coverage to the appellant for failure to submit the necessary verifications. The record was kept open to give the appellant's representative time to obtain the requested documentation. After the documentation was provided, MassHealth was able to make a determination and denied the appellant coverage for being over assets. As the issue on appeal for this hearing is resolved, the case is DISMISSED. The appellant's rights to appeal the new denial notice for being over assets are preserved.
