APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Intent to Place Lien
Decision Date:	9/19/2023	Hearing Date:	09/05/2023
MassHealth's Rep.:	Ms. Torla	Appellant's Rep.:	[REDACTED]
Hearing Location:	Telephonic	Aid Pending:	No

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a Notice of Intent to Place a Lien. The record was held open after hearing for the appellant's attorney to submit documentation that the property in question had been transferred solely to the appellant's daughter. During the record open period, the appellant's attorney submitted an updated deed which showed that the property had been transferred to the appellant's daughter and the appellant no longer retained a life interest in the property.

On September 18, 2023, the MassHealth representative reported that she had received the necessary documentation and was releasing the lien for the property.

As the issue of the intent to place a lien has been resolved in favor of the appellant, the appeal is dismissed.
