APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Over 65; Eligibility; Annual Renewal
Decision Date:	11/27/2023	Hearing Date:	10/17/2023
MassHealth's Rep.:	Brian Hatch	Appellant's Rep.:	Pro se
Hearing Location:	Remote	Aid Pending:	Yes

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. At issue was a notice dated July 27, 2023, terminating the appellant's benefits because she did not submit her annual renewal in a timely manner. The appellant received aid pending during the hearing process. After hearing, the record was kept open until December 1, 2023, to allow the appellant time to submit her annual renewal. On November 13, 2023, the MassHealth representative reported that the appellant properly submitted her renewal and that her benefits will remain in place pending the satisfaction of a request for information due on February 11, 2024.

As the issue on appeal has resolved, this case is hereby DISMISSED. Aid Pending should be removed, but per MassHealth the appellant's benefits should not change until the request for information is satisfied or not timely verified.
