APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Long-Term Care Eligibility
Decision Date:	11/16/2023	Hearing Date:	09/21/2023
MassHealth Rep.:	Yuos Khieu	Appellant Reps.:	[REDACTED]
Hearing Location:	Remote	Aid Pending:	No

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal was a denial of the appellant's MassHealth long-term care application due to missing documentation. At the close of the appeal hearing, the hearing officer left the appeal record open for the appellant to submit the missing documentation, including information about income disbursements from the appellant's two annuities and nursing home documents (Exh. 6). The appellant thereafter requested an extension of the record-open period, which the hearing officer granted. MassHealth subsequently reported that all requested documentation was received, and that a subsequent eligibility notice would be issued (Exh. 8).¹ Therefore, this appeal is dismissed pursuant to the Fair Hearing Rules at 130 CMR 610.051(B), as the parties have reached resolution as to the matter at issue.
