This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. At issue was a notice issued on August 17, 2023, denying long-term care coverage to the appellant for failure to submit the necessary verifications. The record was kept open to give MassHealth time to review documentation that was submitted shortly before the hearing. After review, MassHealth was able to approve the appellant for long-term care coverage with the requested start date. As the issue on appeal for this hearing is resolved, the case is DISMISSED.
