Procedural Background

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a denial of the appellant's long-term care application for failure to provide all requested verifications within the required time frame. The record was held open after hearing for the appellant's representative to submit the remaining verifications. The MassHealth representative subsequently reported that she had received the last remaining verifications she needed and she approved long term care beginning with the date that was requested by appellant.

As the issue of outstanding verifications has been resolved, the appeal is dismissed.
