APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Verifications
Decision Date:	12/01/2023	Hearing Date:	11/6/2023
MassHealth Rep:	Christine Holm	Appellant's Rep.:	[REDACTED]
Hearing Location:	Remote	Aid Pending:	

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved a rejection of an application for MassHealth benefits due to the appellant not giving MassHealth the information it needed to decide her eligibility (Exhibit 1). Both parties appeared at the hearing telephonically. MassHealth was represented by Christine Holm, and the appellant was represented by Karen Roy Travers.

During the hearing the MassHealth worker provided a list of outstanding verifications needed to complete the appellant's application. The appellant's representative conceded to the necessity of the documents and requested additional time to submit them. The hearing officer agreed and held record open until November 13, 2023 to submit the outstanding documents (Exhibit 6). MassHealth was given until November 20, 2023 to review the submitted documents (Exhibit 6). On November 21, 2023 MassHealth confirmed that all requested documents had been submitted and MassHealth would preserve the application date of May 31, 2023 (Exhibit 7).

As MassHealth has accepted the outstanding verifications and preserved the appellant's application date this appeal is dismissed as moot.
