Hearing Location:	Tewksbury (remote)	Aid Pending:	No

This hearing was scheduled pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. The issue on appeal involved the September 17, 2023 termination of benefits and October 24, 2023 approval for Children's Medical Safety Plan.

On November 1, 2023, the Board of Hearings mailed a notice of hearing to Appellant at her address. The hearing was scheduled for December 1, 2023 at 9:00 AM by telephone. Exhibit 3. At the scheduled hearing time, Appellant stated that she did not receive notice of the hearing and only had a few minutes to speak.
