APPEAL DECISION

Appeal Decision:	Dismissed	Issue:	Over 65; Home and Community Based Waiver Services
Decision Date:	12/20/2023	Hearing Date:	12/14/2023
MassHealth's Rep.:	Tambria Pioggia	Appellant's Rep.:	
Hearing Location:	Remote	Aid Pending:	N/A

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder. At hearing, the MassHealth representative reported that the appellant is active on MassHealth Standard through the Frail Elder Waiver and that she did not see any issues with his coverage. The appellant's representative reported that the family has had no issues with the appellant's coverage, but that she filed two appeals of her own case based on an assessed premium, one under her name, and one under her husband's name. As a fair hearing has been conducted with the appellant's representative on a separate case (see appeal number 2310327) that will result in the issuance of a decision, and the appellant's representative agreed that there are no issues with individual coverage for this appellant, there is no issue to be decided on appeal. For the foregoing reasons, this case is hereby dismissed.

Mariah Burns
