Authority

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder.

Jurisdiction

Through notice dated December 1, 2023, MassHealth approved the appellant's application for MassHealth CarePlus benefits with a coverage date beginning November 21, 2023. (Ex. 1). The appellant filed this appeal in a timely manner on January 19, 2024. (130 CMR 610.015(B); Ex. 2). Imposition of a coverage date is a MassHealth action and is valid grounds for appeal (130 CMR 610.032(3)).

Action Taken by MassHealth

MassHealth limited the coverage start date to November 21, 2023.

Issue

The appeal issue is whether MassHealth was correct in determining that coverage for the member begins November 21, 2023.

Summary of Evidence

Appellant, acting pro se, and the MassHealth worker (worker) appeared at hearing and were sworn. Exhibits 1 through 5 were marked as evidence. MassHealth received an application from

appellant on December 1, 2023 and it was processed and approved for MassHealth CarePlus benefits with the start date beginning on November 21, 2023. (Ex. 1; Testimony). Appellant is appealing the eligibility start date. (Testimony). Appellant is not pregnant or younger than [REDACTED]. (Ex. 5).

Findings of Fact

Based on a preponderance of the evidence, I find the following:

1. MassHealth received an application from appellant on December 1, 2023 and it was processed and approved. (Testimony; Ex. 1).
2. Appellant's MassHealth CarePlus coverage start date is November 21, 2023. (Ex. 1; Testimony).
3. Appellant is appealing the start date of his CarePlus coverage. (Testimony).
4. Appellant is not pregnant or younger than [REDACTED]. (Ex. 5).

Analysis and Conclusions of Law

The appellant has the burden "to demonstrate the invalidity of the administrative determination." Andrews v. Division of Medical Assistance, 68 Mass. App. Ct. 228 (2007). Moreover, "[p]roof by a preponderance of the evidence is the standard generally applicable to administrative proceedings." Craven v. State Ethics Comm'n, 390 Mass. 191, 200 (1983).

505.008: MassHealth CarePlus

...

(E) MassHealth CarePlus Coverage Begin Date.

- (1) The MassHealth CarePlus coverage start date is described at 130 CMR 502.006: Coverage Dates, except as described at 130 CMR 505.008(E)(2).
- (2) Provisional eligibility is described in 130 CMR 502.003(E): Provisional Eligibility.

502.006: Coverage Dates

(A) Start Date of Coverage for Applicants. For individuals applying for coverage, the date of coverage for MassHealth is determined by the coverage type for which the applicant may be eligible. 130 CMR 505.000: Health Care Reform: MassHealth: Coverage Types describes the rules for establishing this date, except as specified in 130 CMR 502.003(E)(1), (F)(2), and (H)(2).

- (1) The start date of coverage for individuals approved for benefits under provisional

eligibility is described at 130 CMR 502.003(E)(1).

(2) The start date of coverage for individuals who do not meet the requirements for provisional eligibility, as described at 130 CMR 502.003(E)(2)(a), is described at 130 CMR 502.006(A)(2)(a) through (d), except individuals described at 130 CMR 502.006(C).

(a) The start date for individuals who are pregnant or younger than 19 years old who submit all required verifications within the 90-day time frame is described in 130 CMR 502.006(A)(2)(a)1. and 2.

1. If covered medical services were received during such period, and the individual would have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the requested verifications and may be retroactive to the first day of the third calendar month before the month of application except as specified in 130 CMR 502.006(C).

2. If covered medical services were not received during such period, or the individual would not have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the requested verifications and coverage begins ten days prior to the date of application, except as specified in 130 CMR 506.006(C).

(b) For individuals not described in 130 CMR 502.006(A)(2)(a) who submit all required verifications within the 90-day time frame, the start date of coverage is determined upon receipt of the requested verifications and coverage begins ten days prior to the date of application, except as specified in 130 CMR 502.006(C).

(c) For individuals who fail to provide verifications of information within 90 days of the receipt of the MassHealth agency's request and the MassHealth agency used information received from electronic data sources to determine eligibility, the start date of coverage is determined upon the agency's eligibility determination and coverage begins as described in 130 CMR 502.006(A)(2)(c)1. and 2.

1. For individuals who are pregnant or younger than 19 years old

a. If covered medical services were received during such period, and the individual would have been eligible at the time services were provided, the start date of coverage is determined upon receipt of information received from electronic data sources and may be retroactive to the first day of the third calendar month before the month of application except as specified in 130 CMR 502.006(C).

b. If covered medical services were not received during such period, or the individual would not have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the information received from electronic data sources and coverage begins ten days prior to the date of application, except as specified in 130 CMR 502.006(C).

2. For all other individuals, coverage will begin ten days prior to the date of application, except as specified in 130 CMR 502.006(C).

(d) For individuals denied for failure to provide verification of requested information who then provide requested verifications or report changes after the denial, the start date of coverage is described in 130 CMR 502.006(A)(2)(d)1. and 2.

1. For individuals who are pregnant or younger than 19 years old

a. If covered medical services were received during such period, and the individual would have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the verifications and may be retroactive to the first day of the third calendar month before the received date of the verifications, except as specified in 130 CMR 502.006(C).

b. If covered medical services were not received during such period, or the individual would not have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the verifications and coverage begins ten days prior to the received date of the verifications, except as specified in 130 CMR 502.006.

2. For all other individuals, coverage will begin ten days prior to the date of receipt of all requested verifications or a reported change, except as specified in 130 CMR 502.003(D)(2)(d) and 502.006(C).

Pursuant to the regulations, because appellant is not pregnant or younger than [REDACTED], his coverage date begins ten days prior to the date of application. The application date is December 1, 2023. There was no error by MassHealth in determining the start date of appellant's CarePlus coverage as November 21, 2023 because his application was received on December 1, 2023. Therefore, this appeal is denied.

Order for MassHealth
