Authority

This hearing was conducted pursuant to Massachusetts General Laws Chapter 118E, Chapter 30A, and the rules and regulations promulgated thereunder.

Jurisdiction

Through a notice dated 2/25/25, MassHealth denied the appellant's application for Long-Term Care (LTC) benefits because MassHealth did not receive the requested documents within the required timeframe. (130 CMR 516.001 and Exhibit 1). The appellant filed this appeal in a timely manner on 4/25/25. (130 CMR 610.015(B) and Exhibit 2). Denial of assistance is valid grounds for appeal. (130 CMR 610.032). The record was left open until 6/2/25 for the appellant to submit the missing verifications, and until 6/16/25 to allow MassHealth to review all submissions. (Exhibit 6).

Action Taken by MassHealth

MassHealth denied the appellant's LTC benefits application due to the failure to submit the required verifications.

Issue

The appeal issue is whether MassHealth was correct, pursuant to 130 CMR 516.001, in determining that the appellant is ineligible for LTC benefits for failing to submit the required

verifications.

Summary of Evidence

The appellant is a single individual over the age of _____ The appellant submitted an incomplete MassHealth LTC application on 1/13/25. The LTC application did not provide the LTC admission date or the requested start date, and the appellant's representative could not provide those dates either. The MassHealth representative testified that on 1/17/25, MassHealth sent a request for verifications due within 30 days. The MassHealth representative testified that on 2/25/25, a denial was issued for failure to submit all the required verifications. (Exhibit 5). The MassHealth representative testified that the following verifications were outstanding:

- 1. Nursing facility Documents: SC-1, Nursing facility PNA statement. A letter with room and board payments, with dates of coverage for private payments.
- 2. Intent and Expectation to return home forms: Complete and sign.
- 3. Statements from 1/1/24 through the present.
- 4. Statements from 1/1/24 through the present.
- 5. Statements from 1/1/24 through the present.
- Titles or car registrations to all vehicles and loan agreements, or bill of sale.

Following the appeal hearing, the record was left open until 6/2/25 to allow time for the appellant's representative to submit the missing verifications, and until 6/16/25 to give MassHealth time to review all the submitted verifications. (Exhibit 6).

The record closed on 6/16/25 because the appellant's representative had not submitted any of the requested verifications, nor had she requested additional time to do so. (Exhibit 7).

Analysis and Conclusions of Law

Regulation 130 CMR 516.001(C) provides that MassHealth may request additional information or documentation, if necessary, to determine eligibility. The request is generally sent to the applicant within 5 days of receipt of the application and provides 30 days to return the needed documents. Pursuant to 130 CMR 516.001(D), if the verifications are not submitted within 30 days of the date of the request, MassHealth benefits may be denied. Thereafter, if one or more of the documents are submitted within 30 days of the denial, the date of receipt shall be the reapplication date.

The appellant's representative neither submitted any of the missing verifications nor requested additional time to do so. Since the appellant has not provided the verifications necessary to determine MassHealth eligibility, MassHealth correctly denied the appellant's application.

The appeal is **DENIED**.
