Re: District Attorneys' allocation plan for the ADA Retention Fund (0340-2117)

Joseph D. Early, Jr.
District Attorney
Worcester

In furtherance of its obligations under line item 0340-2117 of the Commonwealth's FY 2015 budget¹, the MDAA reports on the District Attorneys' anticipated allocation of the "ADA Retention Fund" as follows.

James Orenstein
District Attorney
Western

(a) The methodology used to determine the amount to be dispersed

Michael W. Morrissey
District Attorney
Norfolk

The District Attorneys will allocate the \$500,000 fund somewhat proportionately to the size of their legislative appropriations, but the distribution formula takes into account the special retention needs of the more rural counties. That is, the smaller counties will receive a proportionately larger share of the fund.

Michael O'Keefe
District Attorney
Cape & Islands

(b) The amount to be distributed to each District Attorney's office

Marian T. Ryan
District Attorney
Middlesex

\$30,000: Berkshire, Cape & Islands, Northwestern
\$40,000: Bristol, Essex, Norfolk, Plymouth
\$43,000: Hampden, Worcester
\$77,000: Middlesex
\$87,000: Suffolk

David E. Sullivan
District Attorney
Northwestern

(c) The reasoning behind the distribution

C. Samuel Sutter
District Attorney
Bristol

The District Attorneys will distribute their share of the funds as an incentive to remain in public service to those prosecutors who perform at levels that exhibit a significant desire to remain prosecutors, who have become valuable because of their experience and training, and who the District Attorneys would like to retain on staff. All recipients will have a minimum of three years of experience and will be expected, but not required, to commit to continuing service as a prosecutor.
