

Appendix B – Property Maps

- 73. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Reserves,
 - Intensive Use and Active Management Areas
- 74. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Hydrology
 - Buffers
- 75. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Road and
 - Trail Corridors
- 76. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Rare Species
- 77. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Vegetation
- 78. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Vegetation
 - with Resource Overlays
- 79. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Prime Soils
- 80. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Archeologically Sensitive Areas
- 81. Sandisfield State Forest, Silver Brook N/S F. C. Site and Clam Lake F. C. Site – Potential
 - Timber Harvests

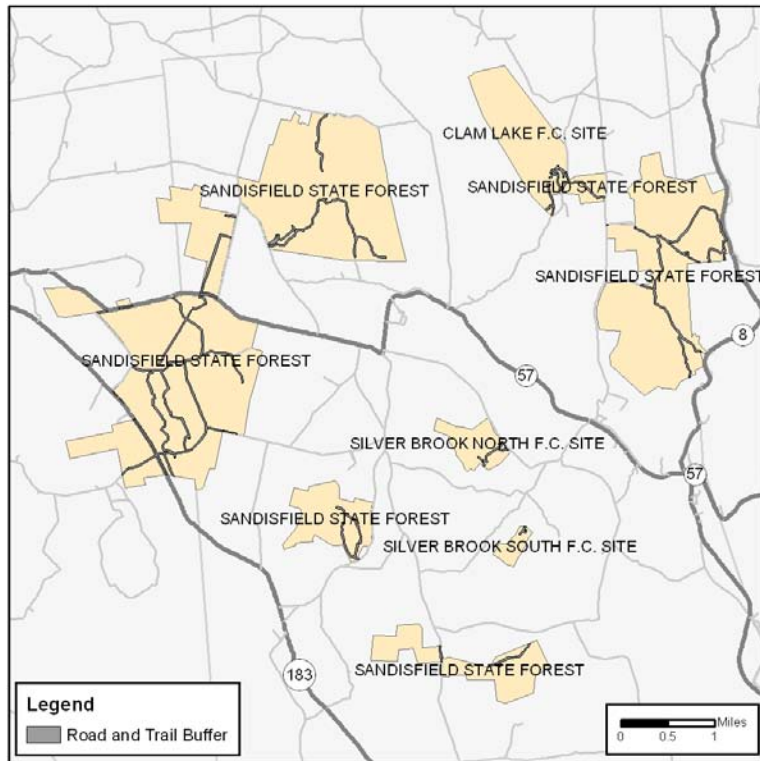

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Reserves, Intensive Use and Active Management Areas

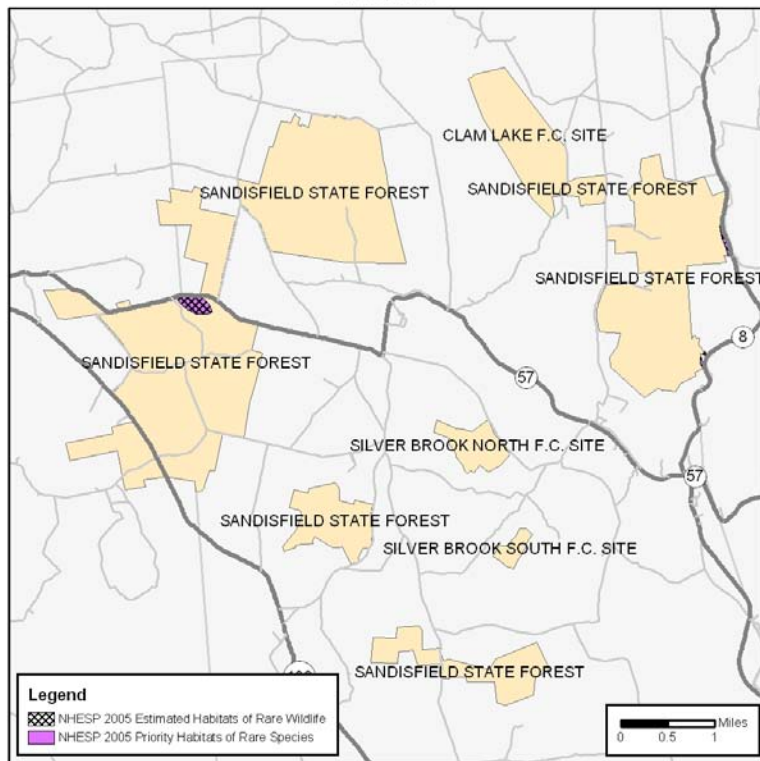

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
100' Hydrology Buffers

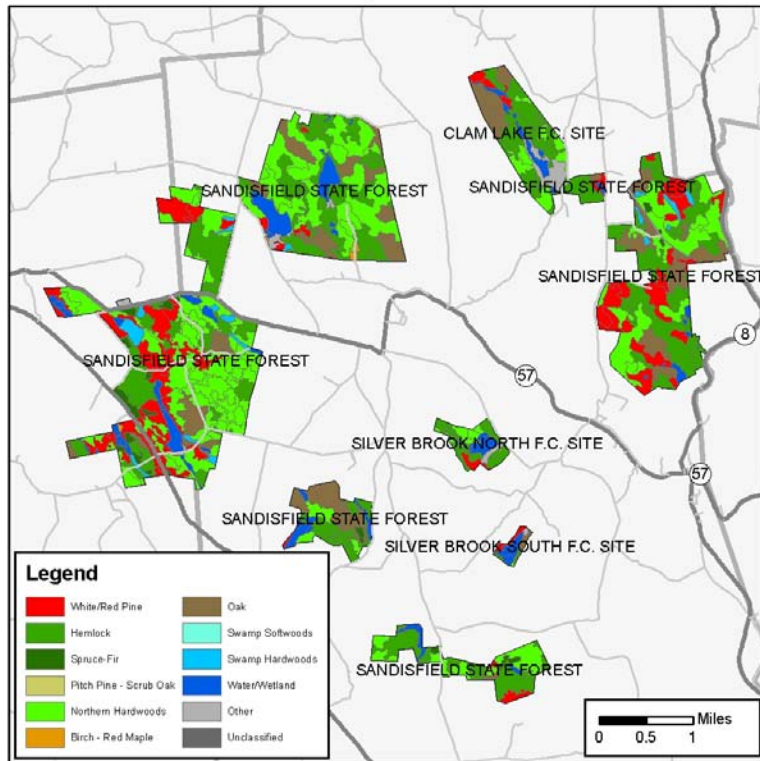

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
50' Road and Trail Buffers

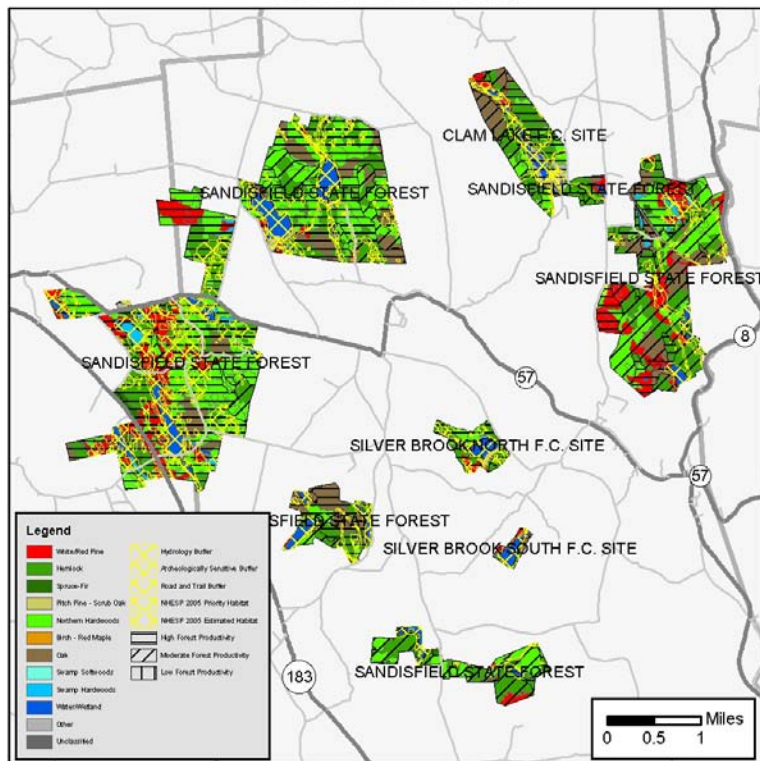

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Rare Species

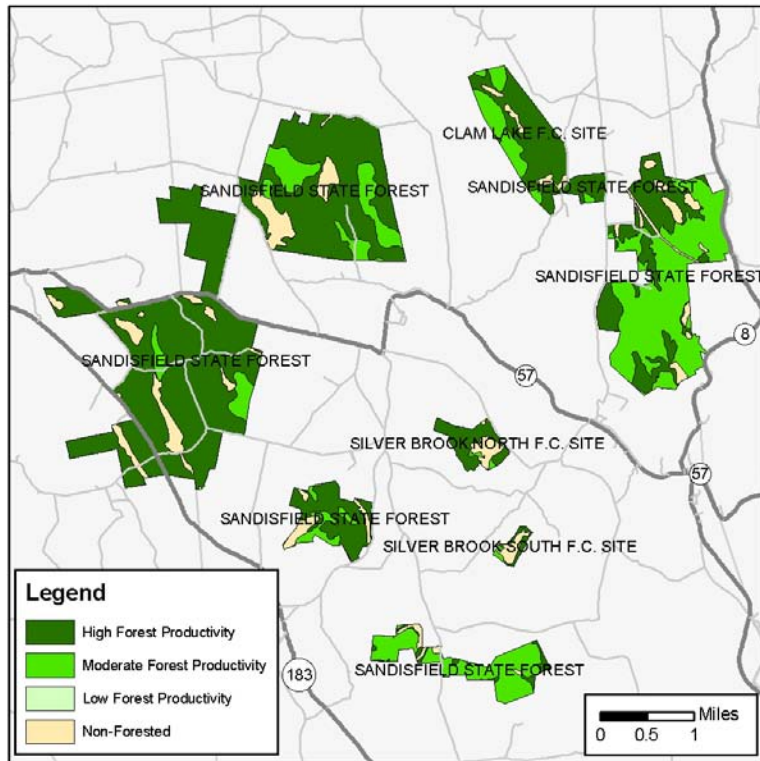

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Vegetation

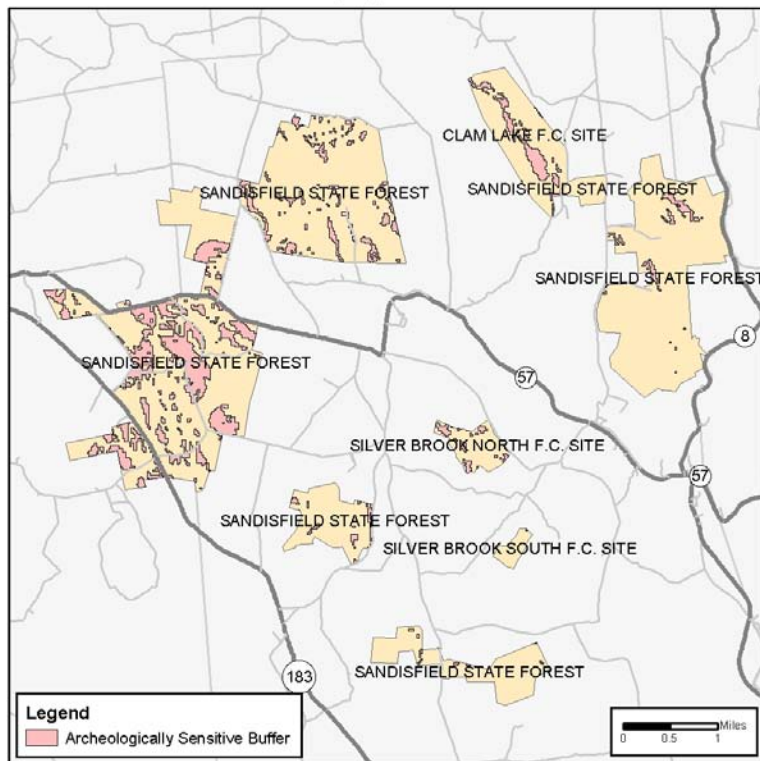

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Vegetation With Resource Overlays

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Prime Soils

Sandisfield State Forest, Silver Brook N/S F.C. Site and Clam Lake F.C. Site
Archeologically Sensitive Buffers

Sandisfield State Forest, Silver Brook N/S FC Site and Clam Lake FC Site - Potential Timber Harvests Within Next 15 Years By Silvicultural Technique
