

APPENDIX  
Restricted Licenses Nurses

State		Unrestricted	Restricted	This column outlines provisions in the state license which make the license restricted. Taking the specified actions (eg, "Must pay the full fee and participate in CME even when deployed.") will make the license for that state Unrestricted. Note: Providers must maintain at least one current, active, valid, Unrestricted license. Providers may possess other licenses which exercise the provisions below as long as they have one Unrestricted license by DoD definition (which may differ from state definition).
Alabama	Nursing		X	Must continue to pay the standard fee and participate in CE while deployed. Will not practice with an expired license
Alaska	Nursing		X	Must continue to pay the standard fee and participate in CE while deployed and not request the "Military Deployment" waiver.
Arkansas	Nursing		X	Must pay the fee and participate in CE. Do not request "military exemption"
Arizona	Nursing	X		
California	Nursing		X	Must pay the fee and participate in CE. Must request full, active, unrestricted license
Colorado	Nursing		X	Must pay the fee and participate in CE. Do not request "military exemption"
Connecticut	Nursing		X	Must pay the standard fee- do not apply for the fee-waiver. Must apply for full, active, and unrestricted license.
Delaware	Nursing		X	Must continue to pay the standard fee while deployed and not request the "Continuation of License." Will not practice with an expire license.
District of Columbia	Nursing		X	Must continue to pay the standard fee while deployed and not request the "Military Deployment" waiver.
Florida	Nursing		X	Must pay the fee and participate in CME. Do not request "military exemption."
Georgia	Nursing	X		
Hawaii	Nursing	X		
Idaho	Nursing		X	Do not request "military exemption." You must pay the standard fee and renew your license in accordance with state requirements for non-military licensees.
Illinois	Nursing	X		
Indiana	Nursing		X	Must pay the standard fee. Do not participate in any military exemptions extending time to renew or complete CE.
Iowa	Nursing		X	Must pay the fee and participate in CME
Kansas	Nursing		X	Must participate in the renewal process by paying the standard fee and completing CE required of non-military providers.
Kentucky	Nursing		X	Must pay the fee and request a full, active, unrestricted license. Do not request "military exemption."
Louisiana	Nursing	X		
Maine	Nursing	X		
Maryland	Nursing		X	Renewal fees and CE must be paid at time of renewal even if deployed

This information is as of 27 September 2018 and is subject to change based on state law and regulatory guidance

APPENDIX  
Restricted Licenses Nurses

State		Unrestricted	Restricted	This column outlines provisions in the state license which make the license restricted. Taking the specified actions (eg, "Must pay the full fee and participate in CME even when deployed.") will make the license for that state Unrestricted. Note: Providers must maintain at least one current, active, valid, Unrestricted license. Providers may possess other licenses which exercise the provisions below as long as they have one Unrestricted license by DoD definition (which may differ from state definition).
Massachusetts	Nursing		X	Do not request "military exemption." You must pay the standard fee and renew your license in accordance with state requirements for non-military licensees.
Michigan	Nursing		X	Must continue to pay the standard fee and participate in the CE requirement when deployed- do not opt in for the "deployment waiver."
Minnesota	Nursing		X	Must pay the standard fee- do not apply for the fee-waiver. Must apply for full, active, and unrestricted license.
