Hi Lucy,

Attached please find the Applicant's comments on the staff report. I have attached a redline copy with the following proposed changes:

Pg. 4: Table 1 - Changed the number of 'Pre/Procedure Beds' in the 'Proposed Site' from 29 to 17 and the related 'Proposed Change' number in the same row from +18 to +6.

Pg. 19: Continuation of Efficiency paragraph, sentence starting with "ORs are sized to meet these needs..." - As per our discussion on Tuesday, 10/16, added "procedure rooms" after ORs as reference to procedure rooms would be more relevant since the Applicant only has procedure rooms.

Thanks,
Elisha
