Please note: You must **answer each and every question on every page** of the application.

The Disability Application process requires that you be examined by three independent physicians who have not examined you in the past. This includes worker's compensation, pre-employment, and routine physical examinations. **The State Board of Retirement Disability Unit will not request information** from your personal physician, other physicians, hospitals or insurance companies.

The State Board of Retirement requires that you have your primary treating physician complete the Treating Physician's Statement. **You must submit the Treating Physician statement with your completed Application for Disability Retirement. (This Physician must be certified with the Commonwealth of MA. Board of Regulations and Medicine or equivalent if the Physician is outside the state of Massachusetts.)**

\*\* Please list **all physicians you have seen** on page 10 of the application.\*\*

**Should you have any questions you may contact the Disability Unit at 617-367-7770.**
