- are 65 years of age or older;
- are not otherwise eligible for MassHealth;
- are not getting Medicare; and

\* Minimum value requirement means that the health insurance plan pays at least 60% of the total health insurance costs of the average enrollee.

The Health Connector uses Modified Adjusted Gross Income (MAGI) rules to determine eligibility. See the Senior Guide for more information.

# WHAT YOU NEED WHEN YOU APPLY

The following **MUST** be sent with the application when applying for MassHealth, the Health Safety Net, and the Massachusetts Health Connector

## **Social Security Number (SSN)**

---

**You must give us an SSN** or proof that one has been applied for for every household member who is applying, unless one of the following exceptions applies.

- You or any household member has a religious exemption as described in federal law.
- You or any household member is eligible only for a nonwork SSN.
- You or any household member is not eligible for an SSN.

Unless an exception applies, **we need SSNs for all persons applying** for health coverage. **An SSN is optional for persons not applying for health coverage, but giving us an SSN can speed up the application process.** We use SSNs to check income and other information to see who is eligible for help with health coverage costs. If someone does not have an SSN or needs help getting one, call the Social Security Administration at (800) 772-1213, TTY: (800) 325-0778, or go to [www.socialsecurity.gov](http://www.socialsecurity.gov). Please see the Senior Guide for more information.

## **Proof of income, assets, and insurance**

---

We will attempt to verify some of this information through electronic data matches and will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

- Proof of all current income before deductions, such as copies of pay stubs or pension check stubs (You do not have to send proof of social security or SSI income, but you must fill out the social security and SSI income information, if applicable.)
- Proof of all assets, such as bank accounts and life insurance policies
- Copies of your current health insurance premium bills (such as Medex) if you are applying for long-term-care services in a medical facility. (You do not have to send copies of your Medicare cards.)
- Policy numbers for any current health coverage
- Information about any other health insurance available to your household

## **Proof of citizenship/national status**

---

We will try to verify this information through electronic data matches. We will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

- Proof of U.S. citizenship/national status and proof of identity, such as U.S. passports or U.S. naturalization papers. You can also prove U.S. citizenship with a U.S. public birth certificate. You can also prove identity with a driver's license or some other form of government-issued card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicles records if you have a Massachusetts driver's license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give us proof of identity for all household members who are applying. **Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI), do not have to give proof of their U.S. citizenship/national status and identity.** (See Section 9 in the Senior Guide for complete information about acceptable forms of proof.)
- A copy of both sides of all immigration cards (or other documents that show immigration status) for you or your spouse if you or your spouse are not U.S. citizens/nationals and are applying for MassHealth (except for MassHealth Limited), the Health Safety Net, or the Health Connector plans.

For more information on immigration statuses and document types, please see page 121.

## Why we ask for this information

We ask about income and other information to let you know what coverage you qualify for and if you can get any help paying for it. **We will keep all the information you provide private and secure, as required by law.**

To view the Health Connector's privacy policy, go to [mahealthconnector.org](http://mahealthconnector.org). To view MassHealth's privacy policy, go to [www.mass.gov/service-details/masshealth-member-privacy-information](http://www.mass.gov/service-details/masshealth-member-privacy-information).

## WHAT HAPPENS NEXT and WHERE TO GET HELP

When we get your filled-out, signed, and dated application, we will review it. If we need more information, we will write or call you. Once we get what we need, we will make a decision about your eligibility and send you a written notice. If you are eligible for MassHealth, show this notice right away to any health care provider if you have paid for medical services that would be covered by MassHealth during your eligibility period. If the health care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

If you need more information about how to apply, or if you need another copy of **Supplement C: Personal-Care Attendant** for your spouse who is also applying, call us at (800) 841-2900; TTY: (800) 497-4648. This application

is available in Spanish. Please call the number above to request one.

## **Health Connector Programs**

Health coverage through the Massachusetts Health Connector is not MassHealth. If you have Medicare, you will not be eligible for any cost sharing or Advance Premium Tax Credits, and you cannot purchase a plan through the Health Connector, unless you were enrolled in a Health Connector plan when you became eligible for Medicare. The only time you should apply for Health Connector programs if you have Medicare is if you are not enrolled in Medicare yet but would have to pay for your Medicare Part A premium. In this case, you may be eligible for a Health Connector plan.

## **READ AND SIGN THIS APPLICATION**

### **For MassHealth and Health Connector Applicants**

---

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.
2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.
3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.
4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, or parents obligated to pay

for medical support, or individuals obligated to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.

5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.
6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.
7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.
8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.

9. To the extent permitted by law, after notice and an opportunity to appeal, MassHealth may place a lien against any real estate owned by an eligible MassHealth member or in which the eligible member has a legal interest, if the member is receiving long-term care in a nursing facility or other medical institution and MassHealth determines that the member is not reasonably expected to return home. If MassHealth puts a lien against such property and the property is later sold, money from the sale of that property may be used to repay MassHealth for medical services provided.
10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person regardless of age for whom MassHealth helps pay for long-term care in a nursing home or other medical institution, MassHealth will seek money from the eligible person's estate after death for the total cost of care. For more information on estate recovery, visit [mass.gov/EstateRecovery](http://mass.gov/EstateRecovery).
11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household's income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning

of the change. Eligible persons can make changes by calling (800) 841-2900, TTY: (800) 497-4648 for people who are deaf, hard of hearing, or speech disabled. A change in information could affect eligibility for such persons or for persons in their household. You can also report changes in any of the following ways.

- Send the change information to Health Insurance Processing Center  
P.O. Box 4405  
Taunton, MA 02780.
- Fax the change information to (857) 323-8300.

12. MassHealth, the Massachusetts Health Connector, and the Health Safety Net will obtain from eligible persons' current and former employers and health insurers all information about health insurance coverage for such persons. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.
13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social

Security Administration, the Internal Revenue Service, the Department of Homeland Security, the Department of Revenue, and the Registry of Motor Vehicles, as well as private data sources, including financial institutions, 1) to prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.

14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.
15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. Review the Health Connector Privacy Policy for more information about how the Health Connector uses your tax information. The Massachusetts Health Connector will send me a notice and let me make changes to my

eligibility application. I understand that if I am eligible for an Advance Premium Tax Credit (APTC) and/or ConnectorCare, these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or ConnectorCare may impact my annual tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

This notice lists rights and responsibilities for all DTA programs. You must follow the rules for programs you apply for. Please read these pages and keep them for your records. Let DTA know if you have any questions.

I swear under penalty of perjury that:

- I have read the information in this form, or someone read it to me.
- My answers in this form are true and complete to the best of my knowledge.
- I will give DTA information that is true and complete to the best of my knowledge during my interview and in the future.

I understand that:

- giving false or misleading information is fraud,
- misrepresenting or withholding facts to get DTA benefits is fraud,
- fraud is considered an Intentional Program Violation (IPV), and
- if DTA thinks I committed fraud, DTA can pursue civil and criminal penalties against me.

I also understand that:

- I may also be subject to criminal prosecution for providing false information.
- If DTA gets information from a reliable source about a change in my household, my benefit amount may change.
- By signing this form, I give DTA permission to verify my eligibility for benefits, including:

I also give these agencies permission to share information about my household's eligibility for benefits with DTA.

## **How will DTA use my information?**

By signing below, I give DTA permission to get information from and share information about me and members of my household with:

- Banks, schools, government, employers, landlords, utility companies and other agencies to check if I am eligible for benefits.

- The Department of Housing and Community Development to enroll me in the Heat & Eat Program. This program helps people get the most SNAP benefits possible.
- The Department of Early and Secondary Education so my children can get free school meals.'
- The Woman, Infants and Children (WIC) Program so that any children under age 5 or a pregnant woman in my household can get WIC.

- The Department of Children and Families (DCF) to coordinate services offered jointly by DTA and DCF.

### **How does DTA use Social Security Numbers (SSNs)?**

DTA is allowed to ask for SSNs under The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036) for SNAP and under M.G.L. c. 18 Section 33 for TAFDC and EAEDC. DTA uses SSNs to:

- Check the identity and eligibility of each household member I apply for through data matching programs.
- Monitor compliance with program rules.
- Collect money if DTA claims I got benefits that I was not eligible for.
- Help law enforcement agencies catch people hiding from the law.

I understand that I do not have to give DTA the SSN of any non-citizen in my household, including myself, who does not want benefits. The income of a non-citizen may count even if the non-citizen does not get benefits.

## **Right to an Interpreter**

I understand that:

- I have a right to a free professional interpreter provided by DTA if I prefer to communicate in a language other than English.
- If I have a DTA hearing, I can ask DTA to give me a free professional interpreter, or if I prefer, I can bring some-one to interpret for me. If I need DTA to give me an interpreter for a hearing, I must call the Division of Hearings at least one week before the hearing date.

I understand that:

- I have the right to register to vote through DTA.
- DTA will help me fill out the voter registration application form if I want help.
- I can fill out the voter registration application form in private.
- Applying to register or declining to register to vote will not affect my DTA benefits.

## **Employment Opportunities**

I agree that DTA may share my name and contact information with employment and training providers, including:

- SNAP Path Work providers or DTA specialists for SNAP clients; and

- Contracted Employment and Training providers or Full Engagement Workers for TAFDC clients.

SNAP clients may voluntarily participate in education and employment training services through the SNAP Path to Work program.

## **Citizenship Status**

I swear that all members of my household applying for DTA benefits are either U.S. citizens, or lawfully residing noncitizens.

## **Supplemental Nutrition Assistance Program**

I understand that:

- DTA manages the SNAP program in Massachusetts.
- When I file an application with DTA (by phone, online, in person, or by mail or fax), DTA has 30 days from the date it got my application to decide if I am eligible.

If I am eligible for expedited (emergency) SNAP, DTA has to give me SNAP and make sure I have an Electronic Benefit Transfer (EBT) card within 7 days from the date they got my application.

I have a right to speak to a DTA supervisor if:

- DTA says I am not eligible for emergency SNAP benefits, and I disagree.
- I am eligible for emergency SNAP benefits, but do not get my benefits by the 7th day after I applied for SNAP.

- I am eligible for emergency SNAP benefits but do not get my EBT card by the 7th day after I applied for SNAP.
- When I get SNAP, I have to meet certain rules. When I am approved for SNAP, DTA will give me a copy of the “Your Right to Know” brochure and the SNAP Program brochure. I will read the brochures or have someone read them to me. If I have any questions or need help reading or understanding this information, I can call DTA at 1-877-382-2363.
- Telling DTA about changes in my household:
  - If I am a SNAP Simplified Reporting household, I do not have to report most changes to DTA until the Interim Report or Recertification is due. The only things I have to report sooner are:
    - If my household’s income goes over the gross income threshold (listed on my approval notice). I have to report this by the 10th day of the month after the month my income went over the threshold.
    - If I have to meet the Able-Bodied Adults Without Dependents (ABAWD) Work Rules and my work hours drop below 20 hours per week.

If everyone in my household is 60 or older, disabled, or under 18 years old, and no one has earnings from work, the only things I have to report are:

- If someone starts working, or

- Someone joins or leaves my household.
- I have to report these changes by the 10th day of the month after the month of the change.

If I get SNAP through Transitional Benefits Alternative (TBA) because my TAFDC stopped, I do not have to report any changes to DTA for the 5 months that I get TBA.

If I get SNAP through Bay State CAP, I do not have to report any changes to DTA.

If I and everyone in my household gets cash assistance (TAFDC or EAEDC), I must report certain changes to DTA within 10 days of the change. See **When do I need to tell DTA about changes in my household?** under **Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC)** below.

I may get more SNAP benefits if I report and give DTA proofs for the following, at any time:

- Child or other dependent care costs, shelter costs, and/or utility costs;
- Child support that I (or someone in my household) is legally required to pay to a non-household member; and
- Medical costs for members of my household, including myself, who are 60 or older or disabled.

## Work rules for SNAP clients:

If you get SNAP benefits and are between the ages of 16 and 59 you may need to meet general SNAP work rules or the ABAWD work rules unless you are exempt. DTA will tell me and members of my household if we need to meet any Work Rules, what the exemptions are, and what will happen if we do not meet the rules.

If you are under the SNAP Work Rules, you must:

- Register for work at application and when you recertify for SNAP. You register when you sign the SNAP application or recertification form.
- Give DTA information about your employment status when DTA asks.
- Report to an employer if referred by DTA.
- Accept a job offer (unless you have a good reason not to).
- Not quit a job of more than 30 hours a week without a good reason.
- Cut your work hours to less than 30 hours a week without a good reason.

## **SNAP Rules**

Do not give false information or hide information to get SNAP benefits.

Do not trade or sell SNAP benefits.

Do not alter EBT cards to get SNAP benefits you are not eligible for.

Do not use SNAP benefits to buy ineligible items, such as alcoholic drinks and tobacco.

Do not use someone else's SNAP benefits or EBT card unless you are an authorized representative, or the recipient has given you permission to use their card on their behalf.

I understand that if I or any member of my SNAP household intentionally breaks any of the rules listed above, that person will not be eligible for SNAP for one year after the first violation, two years after the second violation and forever after the third violation. ### **Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC)**

TAFDC and EAEDC are cash assistance programs. To learn more and to apply, visit [DTAConnect.com](http://DTAConnect.com) or call your local DTA office. This information only applies to households who are applying for or get TAFDC or EAEDC.

### **When do I need to tell DTA about changes in my household?**

I must tell DTA about changes that could affect my TAFDC or EAEDC (cash benefits) within 10 days, except that I do not have to tell DTA about a change in my earnings of less than \$100 per month. This includes changes in my income, assets, address, who I live with, family size, work, and health insurance.

## **How do I get health insurance?**

- If I get TAFDC or EAEDC, I will get MassHealth too.
- If I am denied TAFDC or EAEDC, MassHealth will use my information to see if I am eligible for health insurance.
- If my EAEDC stops, I need to apply for MassHealth separately. To ask for an application call 1-800-841-2900.

If I get MassHealth, I agree that MassHealth may collect:

- money owed to me from another source for my medical care, and
- medical support from the absent parent of any child under age 19 who gets MassHealth benefits.

## **Are there special rules if I am eligible only because of an accident or injury?**

If my family gets benefits from MassHealth or DTA because of an accident or injury, I must use any money I get for the accident or injury to pay them back. The money could be from an insurance policy, a settlement, or any other source. This applies even if I do not know what the possible sources of money are yet.

I agree to cooperate with MassHealth and DTA by:

- Filing claims for money from other sources.
- Telling MassHealth and DTA right away about-any insurance claim, lawsuit, or other process to get money.
- Giving MassHealth and DTA new information when I get it.

If I don't cooperate, MassHealth and DTA may stop or deny my benefits. I agree that MassHealth and DTA may:

- Share information about my benefits in order to collect money to repay those benefits.

See all records about money I might get due to the accident or injury, such as records at the Department of Industrial Accidents.

If I am getting EAEDC because I have a disability or I am over 65 years old, I have to apply for federal Supplemental Security Income (SSI) benefits. If I am approved for SSI benefits that cover the same time that I got EAEDC, the Social Security Administration will send some of my retroactive SSI to DTA to repay the EAEDC.

### **Important Notice About the Law and Your Benefits**

An Intentional Program Violation (IPV) is intentionally giving a false or misleading statement or misrepresenting, hiding, or withholding facts, either orally or in writing, in order to establish or maintain eligibility for TAFDC or EAEDC benefits, or to gain benefits to which I am not entitled.

If I am found guilty of an IPV by a court of law, an administrative disqualification hearing, or by signing a waiver, I will be disqualified from receiving TAFDC or EAEDC benefits for a period of:

- 6 months for the first violation
- 12 months for the second violation

- forever for the third violation

In addition, other laws may apply.

## **Prohibitions on EBT Card Purchases**

I understand it is illegal to use TAFDC or EAEDC funds held on an electronic benefit transfer (EBT) card to pay for the following: alcoholic beverages; tobacco products; lottery tickets; adult oriented material or performances; gambling; firearms and ammunition; vacation services; tattoos; body piercings; jewelry; televisions; stereos; video games or consoles at rent-to-own stores; recreational marijuana; court-ordered fees; fines; bail or bail bonds.

## **Prohibitions on Where I may Use My EBT Card**

I understand it is illegal to use my electronic benefit transfer (EBT) card at the following locations: adult bookstores; adult paraphernalia stores or adult oriented performance establishments; ammunitions dealers; casinos; gambling casinos or gaming establishments; cruise ships; firearms dealers; jewelry stores; liquor stores; manicure shops or aesthetic shops; cash transmittal agencies to foreign countries; recreational marijuana stores or tattoo parlors.

### **Penalties for prohibited EBT card cash purchases**

- First Offense: I must pay back DTA the amount spent.
- Second Offense: I must pay back DTA the amount spent and will lose cash benefits for two months.
- Third Offense: must pay back DTA the amount spent and will lose cash benefits permanently.

# AUTHORIZED REPRESENTATIVE DESIGNATION FORM

Commonwealth of Massachusetts | EOHHS

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you must submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

**Note:** An authorized representative has the authority to act on an applicant's or member's behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority, or upon the death of the applicant or member. Their authority will not automatically terminate once we process your application.

## **You can choose someone to help you.**

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form). You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. You are not required to have a representative in order to apply for or receive benefits.

## **Who can help me?**

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a “Section I authorized representative.”
2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law to act on your behalf, a person (not an organization) who

certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a “Section II authorized representative.”

3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a “Section III authorized representative.”
4. Section III authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

## **What can an authorized representative do?**

A Section I or II authorized representative may

- fill out your application or renewal forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;

- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector.

What a section III authorized representative is authorized to do for you (or for the Estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant's or member's household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation Form.
