MASSACHUSETTS HEALTH CONNECTOR

Who Can Use This Application

This is your application for health coverage if you live in Massachusetts, your income is at or below 400% of the federal poverty level, and you:

• are 65 years of age or older;
• are not otherwise eligible for MassHealth;
• are not getting Medicare; and
• do not have access to an affordable health plan that meets the minimum value requirement.*

* Minimum value requirement means that the health insurance plan pays at least 60% of the total health insurance costs of the average enrollee.

The Health Connector uses Modified Adjusted Gross Income (MAGI) rules to determine eligibility. See the Senior Guide for more information.
WHAT YOU NEED WHEN YOU APPLY

The following MUST be sent with the application when applying for MassHealth, the Health Safety Net, and the Massachusetts Health Connector

Social Security Number (SSN)

You must give us an SSN or proof that one has been applied for for every household member who is applying, unless one of the following exceptions applies.

• You or any household member has a religious exemption as described in federal law.

• You or any household member is eligible only for a nonwork SSN.

• You or any household member is not eligible for an SSN.

Unless an exception applies, we need SSNs for all persons applying for health coverage. An SSN is optional for persons not applying for health coverage, but giving us an SSN can speed up the application process. We use SSNs to check income and other information to see who is eligible for help with health coverage costs. If someone does not have an SSN or needs help getting one, call the Social Security Administration at (800) 772-1213, TTY: (800) 325-0778, or go to www.socialsecurity.gov. Please see the Senior Guide for more information.
Proof of income, assets, and insurance

We will attempt to verify some of this information through electronic data matches and will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

• Proof of all current income before deductions, such as copies of pay stubs or pension check stubs (You do not have to send proof of social security or SSI income, but you must fill out the social security and SSI income information, if applicable.)

• Proof of all assets, such as bank accounts and life insurance policies

• Copies of your current health insurance premium bills (such as Medex) if you are applying for long-term-care services in a medical facility. (You do not have to send copies of your Medicare cards.)

• Policy numbers for any current health coverage

• Information about any other health insurance available to your household

Proof of citizenship/national status

We will try to verify this information through electronic data matches. We will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.
• Proof of U.S. citizenship/national status and proof of identity, such as U.S. passports or U.S. naturalization papers. You can also prove U.S. citizenship with a U.S. public birth certificate. You can also prove identity with a driver’s license or some other form of government-issued card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicles records if you have a Massachusetts driver’s license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give us proof of identity for all household members who are applying. **Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI), do not have to give proof of their U.S. citizenship/national status and identity.** (See Section 9 in the Senior Guide for complete information about acceptable forms of proof.)

• A copy of both sides of all immigration cards (or other documents that show immigration status) for you or your spouse if you or your spouse are not U.S. citizens/nationals and are applying for MassHealth (except for MassHealth Limited), the Health Safety Net, or the Health Connector plans.

For more information on immigration statuses and document types, please see page 103.
Why we ask for this information

We ask about income and other information to let you know what coverage you qualify for and if you can get any help paying for it. **We will keep all the information you provide private and secure, as required by law.** To view the Health Connector’s privacy policy, go to mahealthconnector.org. To view MassHealth’s privacy policy, go to www.mass.gov/service-details/masshealth-member-privacy-information.

WHAT HAPPENS NEXT and WHERE TO GET HELP

When we get your filled-out, signed, and dated application, we will review it. If we need more information, we will write or call you. Once we get what we need, we will make a decision about your eligibility and send you a written notice. If you are eligible for MassHealth, show this notice right away to any health care provider if you have paid for medical services that would be covered by MassHealth during your eligibility period. If the health care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

If you need more information about how to apply, or if you need another copy of **Supplement C: Personal-Care Attendant** for your spouse who is also applying, call us at (800) 841-2900; TTY: (800) 497-4648. This application
is available in Spanish. Please call the number above to request one.

If you have any questions about any form or the information you need to send, please call us at (800) 841-2900, TTY: (800) 497-4648.

Health Connector Programs

Health coverage through the Massachusetts Health Connector is not MassHealth. If you have Medicare, you will not be eligible for any cost sharing or Advance Premium Tax Credits, and you cannot purchase a plan through the Health Connector, unless you were enrolled in a Health Connector plan when you became eligible for Medicare. The only time you should apply for Health Connector programs if you have Medicare is if you are not enrolled in Medicare yet but would have to pay for your Medicare Part A premium. In this case, you may be eligible for a Health Connector plan.

A social security number is required if a person is applying for MassHealth Premium Assistance. STEP 10
READ AND SIGN THIS APPLICATION

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.

2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.

3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.

4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, parents obligated to pay for medical support, or individuals obligated
to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.

5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.

6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.

7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.

8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.
9. To the extent permitted by law, after notice and an opportunity to appeal, MassHealth may place a lien against any real estate owned by eligible MassHealth members or in which the member has a legal interest. If the individual is receiving long-term care in a nursing facility or other medical institution and MassHealth determines that the member is not reasonably expected to return home. If MassHealth puts a lien against such property and the property is later sold, money from the sale of that property may be used to repay MassHealth for medical services provided.

10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person regardless of age for whom MassHealth helps pay for long-term care in a nursing home or other medical institution, MassHealth will seek money from the eligible person’s estate after death for the total cost of care. For more information on estate recovery, visit mass.gov/EstateRecovery.

11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household’s income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning of the change. Eligible persons can make changes by
calling (800) 841-2900, TTY: (800) 497-4648 for people who are deaf, hard of hearing or speech disabled. A change in information could affect eligibility for such persons or for persons in their household.

You can also report changes in any of the following ways.

• Sign on to your account at MAhealthconnector.org. You can create an online account if you do not already have one.

• Send the change information to
  Health Insurance Processing Center
  P.O. Box 4405
  Taunton, MA 02780.

• Fax the change information to (857) 323-8300.

12. MassHealth, the Massachusetts Health Connector, and the Health Safety Net will obtain from eligible persons’ current and former employers and health insurers all information about health insurance coverage for such persons. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.

13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social Security Administration, the Internal Revenue Service, the Department of Homeland Security, the Department
of Revenue, and the Registry of Motor Vehicles, as well as private data sources including financial institutions, 1) to prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.

14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.

15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by going to www.hhs.gov/ocr/office/file.

16. I agree to allow the Massachusetts Health Connector to use income data, including information from tax returns to determine my eligibility in future years. Review the Health Connector Privacy Policy for more information about how the Health Connector uses your tax information. The Massachusetts Health Connector will send me a notice and let me make changes to my eligibility application. I understand that if I am eligible for an Advance Premium Tax Credit (APTC) and/or ConnectorCare, these
payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or ConnectorCare may impact my annual tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

You can submit this form if you would like to designate an authorized representative to act on your behalf. If an authorized representative signed your application for you, or if you are an authorized representative applying on behalf of someone else, you must submit this form for the application to be processed.

You do not need to fill out this form if you live in an institution and want copies of eligibility notices sent to you and to your spouse who still lives at home. We will do that automatically.

**Note:** An authorized representative has the authority to act on an applicant’s or member’s behalf in all matters with MassHealth and the Health Connector, and will receive personal information about the applicant or member until we receive a cancellation notice terminating their authority, or upon the death of the applicant or member. Their authority will not automatically terminate once we process your application.
You can choose someone to help you.

You may choose an authorized representative to help you get health care coverage through programs offered by MassHealth and the Health Connector. You can do this by filling out this form (the Authorized Representative Designation Form). You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. You are not required to have a representative in order to apply for or receive benefits.

Who can help me?

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a “Section I authorized representative.”

2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law
to act on your behalf, a person (not an organization) who certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a “Section II authorized representative.”

3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a “Section III authorized representative.”

4. Section III authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

What can an authorized representative do?

A Section I or II authorized representative may
• fill out your application or renewal forms;
• fill out other MassHealth or Health Connector eligibility or enrollment forms;
• give proof of information reported on these forms;
• report changes in income, address, or other circumstances;
• get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
• act on your behalf in all other matters with MassHealth and the Health Connector.

What a section III authorized representative is authorized to do for you (or for the Estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant’s or member’s household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation Form.

How does an authorized representative designation end?

If you decide that you no longer want a **Section I** or **Section II** authorized representative, you must notify us at the time you want the designation to end by mail, fax, or phone. See our contact information below. If you mail or fax this notice to us, the notice must include your name, address, and date of birth, the name of your authorized representative, a statement that the designation has ended and your signature or, if you cannot provide written notice, the signature of someone acting on your behalf (in the case of a **Section II** authorized representative only).

In addition, if your authorized representative notifies us that such person or organization is no longer acting on your behalf, we will no longer recognize the person or organization as your authorized representative.
The authority of a Section I or Section II authorized representative will end upon the death of the applicant or member.

A Section III authorized representative’s designation ends when his or her legal appointment ends. The authorized representative must notify us as instructed above.

NOTICE OF RIGHTS, RESPONSIBILITIES AND PENALTIES (PLEASE READ CAREFULLY)

I certify that I have read, or have had read to me, the information in this application. My answers to the questions in this application are true and complete to the best of my knowledge. I also certify that information I provide to the Department during the application interview and in the future will also be true and complete to the best of my knowledge. I understand that giving false or misleading information is fraud. I also understand that misrepresenting or withholding facts to establish SNAP eligibility is fraud. This results in an Intentional Program Violation (IPV) and is punishable by civil and criminal penalties.
I understand that the Department of Transitional Assistance (DTA) administers SNAP. Further, I understand that DTA has 30 days from the date of application to process my application. Further, I understand that:

- The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036) allows DTA to use my Social Security Number (SSN) and the SSN of each household member I apply for. DTA uses this information to determine my household’s eligibility for SNAP. DTA verifies this information through computer matching programs. I understand that DTA uses it to monitor compliance with program regulations.

- Most of the time, households under the SNAP Simplified Reporting rules have to tell DTA changes at Interim Report (IR) and recertification with the exception of:
  - If my household’s income exceeds the gross income threshold
  - If I am under the able-bodied adult without dependents (ABAWD) work requirements and my work hours drop below 20 hours weekly
  - If my household only contains elderly and/or disabled adults, and a household member starts receiving earned income or the household composition changes

- If I am under SNAP Simplified Reporting rules and there is a change that I am required to report under these rules, I must report the change no later than the 10th
day following the end of the calendar month in which the change occurred.

- If DTA receives verified information about my household, my benefit amount may change.

- If I am not under the SNAP Simplified Reporting rules or Transitional Benefits Alternative (TBA) rules, I must report to DTA changes to my household that may affect our eligibility. I understand that I must report these changes to DTA in person, in writing, or by phone within 10 days of the change. For example, you must report changes in your household’s income, size, or address.

- I have a right to speak to a supervisor if DTA finds me ineligible for emergency SNAP benefits and I disagree. I may speak to a supervisor if I am eligible for emergency SNAP benefits but do not get my benefits by the seventh calendar day after I applied for SNAP. I may speak to a supervisor if I am eligible for emergency SNAP benefits but do not get my Electronic Benefit Transfer (EBT) card by the seventh calendar day after I applied for SNAP.

- I may receive more SNAP benefits if I report and give verification to DTA of:
  - child or other dependent care costs, shelter costs, and/or utility costs
  - legally-obligated child support to a nonhousehold member

- If I am 60 years or older or if I am disabled and I pay for medical costs, I can report and give verification of these
costs to DTA. This may make me eligible for a deduction and increase my SNAP benefits.

• Unless they meet an exemption, all SNAP recipients between the ages of 16 and 59 are work registered and subject to General SNAP Work Requirements. SNAP recipients between the ages of 18 and 49 may also be subject to the ABAWD Work Program requirements. DTA will inform nonexempt household members of the work requirements. DTA will inform nonexempt household members of exceptions and penalties for noncompliance.

• Most SNAP recipients may voluntarily participate in education and employment training services through the SNAP Path to Work program. DTA will give referrals to the SNAP Path to Work program if appropriate.

• DTA may also share the names and contact information of SNAP recipients with SNAP Path to Work providers for recruitment purposes. I understand that members of my household may be contacted by DTA SNAP Path to Work specialists or contracted providers to explore SNAP Path to Work participation options. For more information about the SNAP Path to Work program, visit www.snappathhtowork.org.

I understand that the information I give with my application will be subject to verification to determine if it is true. If any information is false, DTA may deny my SNAP benefits. I may also be subject to criminal prosecution for providing false information.
I understand that by signing this application I give DTA permission to verify and investigate the information I give that relates to my eligibility for SNAP benefits, including permission to:

- Get documents to prove information on this application with other state agencies, federal agencies, local housing authorities, out-of-state welfare departments, financial institutions and from Equifax Workforce Solutions. I also give permission to these agencies to give DTA information about my household that concerns my SNAP benefits.
- Contact third parties to verify information related to eligibility on my behalf. This includes, but is not limited to, employers, landlords, and utility companies.
- If applicable, verify my immigration status through the United States Citizenship and Immigration Services (USCIS). I understand that DTA may check information from my SNAP application with USCIS. Any information received from USCIS may affect my household’s eligibility and amount of SNAP benefits.
- Share information about me and my dependents under age 19 with the Department of Elementary and Secondary Education (DESE). DESE will certify my dependents for school breakfast and lunch programs.
- Share information about me, my dependents under age 5 and anyone pregnant in my household with the Department of Public Health (DPH). DPH refers these individuals to the Women, Infants and Children (WIC) Program for nutrition services.
• Share information, along with the Massachusetts Executive Office of Health and Human Services, about my eligibility for SNAP with electric companies, gas companies, and eligible phone and cable carriers to certify my eligibility for discount utility rates.

• Share my information with the Department of Housing and Community Development (DHCD) for the purpose of enrolling me in the Heat & Eat Program.

• Share information about me and my dependents with the Department of Revenue (DOR) for the purpose of verifying my eligibility for income-based tax credits as determined by DOR, including Earned Income and Limited Income and determining if I am eligible for “No Tax Status” or hardship status.
