Application for Certification

Pursuant to 526 CMR 10.03, individuals seeking certification by the Recreational Tramway Board (RTB) must demonstrate professional competency and knowledge of the laws, rules and regulations by either:

- Passing a practical and/or oral examination;
- Possessing 5 years' experience in the area of requested certification;
- Having inspected at least 50 tramway devices in the area of requested certification; or
- Holding a certification from an organization deemed acceptable by the RTB.

All licenses are valid for a period of one year and expire on December 31st each year.

Please check which area of certification you are requesting.
