	INITIAL HERE
I certify that I was responsible for the work outlined in this request for a variance.	
I certify that the work performed violates specific provisions of M.G.L. c. 142 and/or 248 CMR as cited by the inspector in writing which, I am providing to the Board.	
I certify that I understand how the provisions of M.G.L. c. 142 and/or 248 CMR have been violated and that I will ensure all my future work will conform to those requirements	
I certify that the non-compliant work was unintentionally non-compliant due to a condition that I could not have reasonably foreseen.	
I certify that I notified the inspector immediately when the work was discovered to be non-compliant and ceased all non-compliant work since that time.	
I certify that the non-conforming work is subject to immediate removal if the Board, in its discretion, rejects this application.	

By checking this box - I hereby certify under pains and penalties of perjury that the information entered on this application request, including supporting documentation, is true and accurate and is filed in accordance with Chapter 142, section 13 of the General Laws and 248 CMR, the Massachusetts State Fuel Gas Code. I certify that, other than work referenced in this request, all other work performed prior to this request for a variance meets the requirements of 248 CMR. I also certify that I understand that this is a request for the Board to allow an exception to the requirements of the Massachusetts State Fuel Gas Code and does not constitute an appeal of an inspector's decision.
