Prior to completing the application, obtain a copy of 262 CMR from the State Bookstore, Room 116, State House, Boston, MA 02133, (617) 701-8683, or online at <http://www.mass.gov/dpl/boards/mh>

EXAMINATION INFORMATION

All applicants must pass the Certified Rehabilitation Counselor Examination in order to be approved for licensure. You may take the examination without applying for CRC designation. If you have not yet taken the examination, please see #8 of the application for registration deadlines. If you have already passed the examination, please submit an official score report with your application.

IMPORTANT POINTS:

- All applicants must include two professional reference forms (provided in this application) completed by the two most recent supervisors.
- Carefully review both the regulations and the application before filling out the application to ensure that all requirements have been met.
- Post-Master Experience and Supervision Requirements: A minimum of two years full-time, post-master's degree supervised clinical experience or equivalent part-time, work experience in rehabilitation counseling in a clinic or hospital licensed by the Department of Mental Health or accredited by the Joint Commission on Accreditation of Hospitals or in an equivalent center or institute, or under the direction of an approved supervisor. Applicants who have completed a qualifying master's degree consisting of a 48 semester hour program of study which included an internship may be credited a maximum of ½ of the total number of hours of the internship experience toward the clinical experience requirement.
- Applicants are urged to make a copy of their application for their personal records.

Submit the completed application, supporting documentation, and NON-REFUNDABLE application fee of **\$117.00** to the Board at the address listed above. The Board will not advise individuals as to their eligibility for licensure until a complete application with supporting documentation has been reviewed. Licensure eligibility can only be determined through the application process.

Once your application is approved, an initial license fee will be assessed.

Please be aware that if you submit an application and it is determined by the Board that it is incomplete, or that you have failed to meet the regulatory requirements for licensure, the Board will provide you six months to complete your application or submit the information needed to demonstrate that you meet the regulatory requirements, which will be communicated to you in a written letter from the Board. After six months, if your application is still incomplete, or if you have still failed to demonstrate that you meet the regulatory requirements for licensure, you will be issued a letter from the Board indicating that your application has been closed or denied. If your application is closed or denied, you would need to re-apply for licensure by submitting a complete application to the Board and by paying a new application fee.

Be sure to complete and include the application checklist provided at the end of this packet.
