MASSWILDLIFE

Application to import certain fish and wildlife

MGL c. 131, § 23 and 321 CMR 2.15

All information below is required, unless otherwise specified.

This application must be filed at least ten (10) days in advance of the desired date of importation for wildlife, and fifteen (15) days in advance for fish. **Health Certificate Requirement** - A certificate of health or other evidence signed by a person qualified to diagnose fish and wildlife diseases stating that the fish or wildlife to be imported is free of infectious disease and parasites must accompany this application. Game birds must be pullorum tested within the preceding six months or come from pullorum-tested parent stock tested within one year and found free of pullorum. **A negative avian influenza test certificate must be submitted with this application when importing birds.**
