The screenshot shows the homepage of the EEA ePLACE Portal. At the top, there is a navigation bar with links for 'State Offices & Courts', 'State A-Z Topics', 'State Forms', and 'Accessibility FAQs'. Below this, the 'Mass.gov' logo is on the left, and the text 'An Official website of the Commonwealth of Massachusetts' is on the right. The main heading 'EEA ePLACE Portal' is highlighted in yellow, with a red arrow pointing to it. Below the heading, there are links for 'Announcements', 'Accessibility Support', 'Register for an Account', 'Reports (2)', and 'Login'. A paragraph of text provides contact information for the ePLACE Help Desk Team, including phone numbers and an email address. Below this, there are links for 'Contact' and 'Energy and Environmental Affairs, MASSDEP', 'Energy and Environmental Affairs, MDAR', and 'Energy and Environmental Affairs, DCR'. A link for 'click here' is also present. A 'Home' button is located below the text. The main content area is divided into two sections: 'Welcome to the Commonwealth of Massachusetts ePLACE Portal' on the left and a 'Login' form on the right. The 'Login' form has fields for 'User Name or E-mail' and 'Password', and a 'Login »' button. A red arrow points to the 'Login »' button. Below the 'Welcome' section, there is a section titled 'Options for Licensees and Applicants' with links for 'Apply for, Renew, or Amend a License, Permit, Certificate, Notification or Registration' and 'Make Payments Online'.

MDAR
MASSACHUSETTS DEPARTMENT OF AGRICULTURAL RESOURCES

Welcome to the online examination portal for the Massachusetts Department of Agricultural Resources, Pesticide Program. Together, the [FEA ePLACE Portal](#) and this online examination system provide near constant access to examinations and opportunities to submit pesticide license applications or renewals at a time that is convenient for you. It's the Department's hope that these systems will better meet the pesticide examination and licensure needs of today's pesticide applicators and their employers.

The Department now conducts all pesticide exams using this online data system. This system is designed to confirm your identification and conduct secure competency testing to determine your eligibility for pesticide licensure in Massachusetts. Your exam sessions will be recorded and any abuse or misuse of this system, including but not limited to cheating on exams or the copying or recording of any exam content will be cause for disqualification and both civil and criminal penalties.

With the exception of the Catch Basin Permit Exam, all other exams have 125 multiple-choice questions. All exams are timed limited. You will be allowed one hour and 45 minutes for the commercial applicator (core) and dealer license exams, two hours and 30 minutes to take commercial and private certification exams and one hour for the Catch Basin Permit Exam.

Questions
Answers to most of the frequently asked questions are provided on the Department's [Examination, Licensing, and Renewal website](#); however, if you have a question to which you cannot find the answer, please send an email to steve.kenyon2@mass.gov.

Introduction

Your progress 

Welcome to the MDAR online Pesticide Exam System. Please note that all examinations are "closed book". Your exam session is recorded, monitored, and reviewed. Any cheating or assistance from others will NOT be tolerated. Any use of calculators, notes, dictionaries, or other reference materials not provided to you within the exam session is strictly prohibited.

If a disability prevents you from taking the exam under the existing conditions outlined above, you may request an accommodation. Such requests are subject to approval by the Department upon submission and review of documentation needed by the Department and in accord with the applicable State and Federal Disability Laws. For more information, please send email to steve.kenyon2@mass.gov to request the Department's Pesticide Exam Disability and Accommodation Guidelines before you begin your online exam. Anyone claiming a disability will need to provide both a clear description of the disability and supporting documentation.

Technical Specifications

Computer Technology Requirements

1. You need to use a **regular computer (Windows/Mac computer or laptop)**. You cannot take the exams from mobile devices (e.g., iPhone, iPad, Android device, etc).
2. You will need to have Internet Speed Upload: 1 Mbps and Download: 2 Mbps. **Tethering and Hotspots are not supported.**
3. You need a **working webcam and microphone** (depending on the options your instructor has selected)
4. You need to use a mouse or mouse/track pad to answer the questions.
5. You must use **Google Chrome web browser & the Proctorio Extension**. [Install the Proctorio extension for Google Chrome](#). It takes less than 30 seconds. The exam that requires Proctorio will usually prompt you to install the extension if you need it.
6. **Have a photo ID card available**. Depending on the settings your instructor has used for the exam you may be asked to hold up your ID to document you are the test taker.
7. Be ready for room scans. Again, depending on the settings on your exam Proctorio may ask you to do a room scan; turning your web camera in a 360-degree pan to look at the room. Proctorio may ask more than once if the program hears noises - the application is trying to ensure there is nobody else in the room. Using Proctorio is fairly simple. Proctorio walks you through the process as you're taking the exam, so you do not need to refer to any instructions while you're using Proctorio.

Navigating Product Labeling Exam Questions

How to navigate pesticide labeling questions

When you arrive at a pesticide label exam question, the label window will be directly below the exam question. The most important part of answering this question, is to read the labeling provided and choose the correct answer from the options provided.

Please note that by placing your cursor over the label, you will be able to scroll up and down the pages of the labeling. Also, placing your cursor on the left or right margin, outside of the label, will allow you to scroll up and down the previous or next question.

Just above the three choices to answer the question, you will see important controls that allow you zoom in and out of the labeling. These controls are shown by the "plus" and "minus" magnifying glasses.

Pesticide Examination and Licensing

The Pesticide Program conducts the examination, licensing, and certification of pesticide applicators.

MDAR presents the new Online Data System known as the ePLACE Portal. This portal is part of an initiative to bring all agencies within the Executive Office of Energy and Environmental Affairs into an online permitting and authorization system. This system provides an easy and convenient way for individuals to apply for pesticide exams and licenses. All Applications for examination or licensure must now be submitted online.
