Approved Court Transcribers

Effective: July 1, 2023

Updated: January 5, 2024

The Office of Transcription Services (OTS) contracts with Approved Court Transcribers to prepare transcripts of digitally recorded Trial Court proceedings. The Approved Court Transcribers identified on this list completed our rigorous screening process, verifying their education and work experience and demonstrating their ability to transcribe audio recordings completely and accurately. An order for an original transcript submitted during Fiscal Year 2024 (July 1, 2023, to June 30, 2024) must be assigned by OTS to an Approved Court Transcriber on this list.
