A Hybrid Meeting of the Commissioners of the Cape Cod Mosquito Control Project (CCMCP) was held on April 29, 2024. In participation was: Supt. Gabrielle Sakolsky-Hoopes, Asst. Supt. Bart Morris, Chairman J. Gregory Milne, Vice-Chairman Rodney Collins, Secretary Arthur Neill, and Commissioner James Quirk.

The following remote meeting declaration was read into the minutes:

Cape Cod Mosquito Control Project Board of Commissioners is meeting remotely pursuant to legislative authorization extending the remote meeting provisions of the Open Meeting Law through 3/31/25, as signed into law by Governor Healey on March 29, 2023.

Commissioner Quirk made a motion to approve the minutes of March 25, 2024. Motion 2nd by Vice-Chairman Collins and approved unanimously by way of roll call.

Supt. Sakolsky reminded that since no bids were received for the Request for Proposal (RFP), Division of Asset Management and Maintenance (DCAMM) is moving forward with an emergency waiver to establish an invitation for proposal, including the revisions discussed and voted at the last meeting. Supt. Sakolsky will discuss the potential of a month-to-month lease extension with the current landlord in the event we are unable to find a space by the end of our lease.

From the field, it was reported that water levels are very high and drying slowly. Cape Cod National Seashore property is still under close watch and with permit in hand, treating has begun. We are awaiting our signed permit back from Monomoy Wildlife Refuge to begin treating as needed. Public information sessions are being scheduled. Commissioners were also informed of a pesticide ban vote that some Cape towns are adding to their annual town meeting warrant, and it's potential impact on our operations.

The next meeting was scheduled for Monday May 20 at 2PM.

There being no further business, Vice-Chairman Collins motioned to adjourn the meeting, 2nd by Commissioner Quirk and approved unanimously by way of roll call.
