Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	A concerned American citizen, I am tired of living in a plutocracy that purports to function as a democratic republic. I have previously not been engaged in civic matters and feel impelled to make more of an effort to contribute to our country and to society. This seems a sensible and significant start. One person cannot change the world, and overnight. It takes a dedicated team working in harmony, each sharing his or her own strengths and perspectives. I am eager to contribute my critical thinking, writing skills, hunger for truth and justice, and innate sense of leadership.
