Dear [Name],

WHAT HAPPENED?

Protecting the security of our Card Members' information is very important to us and we strive to let you know about security concerns as soon as possible. We have been informed that a data security incident occurred at a merchant where you used your Card. Account information of some of our Card Members, including some of your account information, may have been involved. It is important to note that American Express owned or controlled systems were not compromised by this incident, and we are providing this notice to you as a precautionary measure.

WHAT INFORMATION WAS INVOLVED?

At this time, we have been informed that your current or previously issued American Express Card account number, your name and other Card information such as the expiration date, may have been compromised. Please be aware that you may receive additional letters from us if more than one of your American Express Card accounts were involved.

WHAT WE ARE DOING.

Please be assured we are vigilantly monitoring your account for fraud and, if it should occur, **you are not liable for fraudulent charges on your account.** To learn more about the measures we take to help protect your account visit our **Security Center** at americanexpress.com/fraudprotection.
