Dear <<First name>>:

Surgical Information Systems, LLC takes the issue of privacy seriously and, as part of that commitment, we are sending you this letter to notify you that we recently learned that an unauthorized acquisition of your personal information may have occurred between the dates of October 31, 2018 and January 8, 2019. Please read this letter carefully.

We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies listed below. To obtain a free annual credit report, go to [www.annualcreditreport.com](http://www.annualcreditreport.com) or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months. If you discover any incorrect information on your report, you should report it immediately to the credit reporting agency.

Massachusetts law also requires us to inform you of your right to obtain any police report filed in regard to this incident. If you are a victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, it cannot charge you to place, lift or remove a security freeze. In all other cases, a credit reporting agency may charge you up to \$5.00 each to place, temporarily lift, or permanently remove a security freeze.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax ([www.equifax.com](http://www.equifax.com)); Experian ([www.experian.com](http://www.experian.com)); and TransUnion ([www.transunion.com](http://www.transunion.com)) by regular, certified, or overnight mail at the addresses below:

Equifax Security Freeze  
P.O. Box 105788  
Atlanta, GA 30348

Experian Security Freeze  
P.O. Box 9554  
Allen, TX 75013

TransUnion (FVAD)  
P.O. Box 6790  
Fullerton, CA 92834

In order to request a security freeze, you will need to provide the following information: (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; (5) Proof of current address, such as a current utility or telephone bill, (6) a legible photocopy of a government issued identification, (7) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles; and (8) if you are not a victim of identity theft, include payment by check, money order, or credit card (Visa, MasterCard, American Express or Discover only). Do not send cash through the mail.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

In addition, you can place a fraud alert your credit file by contacting one or more of the three national credit reporting agencies listed above. A fraud alert tells lenders to contact you before they open any new accounts or change your existing accounts.
