Dear <<Name 1>>:

Five Below, Inc. ("Five Below") understands the importance of protecting the payment card information of our customers. We are writing to inform you of a recent incident that may have involved that information, including your name, address, payment card number ending in <<Last 4 Card #>>, and card security code (CVV).

We encourage you to closely review your payment card statements for any unauthorized charges. You should immediately report any such charges to the bank that issued your card because payment card network rules generally provide that cardholders are not responsible for unauthorized charges that are timely reported. The phone number to call is usually on the back of your payment card.

As a precaution, we have secured the services of Experian to offer you a complimentary one-year membership of Experian's® IdentityWorksSM. This product provides you with identity detection and resolution of identity theft services. For more information on IdentityWorksSM, including instructions on how to activate your complimentary one-year membership, as well as some additional steps you can take to protect yourself, please see the pages that follow this letter.

We take the security of our customers' personal information very seriously. If you have any questions, please call 877-363-7794, Monday through Friday, from 9:00 a.m. to 9:00 p.m. Eastern Time.

Sincerely,

David Makuen

Note that pursuant to Massachusetts law, you have the right to file and obtain a copy of any police report.

Credit Freezes: You have the right to put a "security freeze," also known as a credit freeze, on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

Pursuant to federal law, you have the right to freeze and unfreeze your credit report free of charge with the three credit reporting agencies. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.

For more information, visit the FTC's identity theft website at www.identitytheft.gov. To place a security freeze on your credit report, you can submit a request on the websites of the three major reporting agencies or send a written request to each by regular, certified, or overnight mail at the addresses below:

Experian Security Freeze, PO Box 9554, Allen, TX 75013, www.experian.com
TransUnion Security Freeze, PO Box 2000, Chester, PA 19016, www.transunion.com
Equifax Security Freeze, PO Box 105788, Atlanta, GA 30348, www.equifax.com

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years
5. Proof of current address such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number ("PIN") or password or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, or to lift a security freeze for a specified period of time, you must submit a request through a toll-free telephone number, a secure electronic system maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to the credit reporting agencies and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze as well as the identity of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must submit a request through a toll-free telephone number, a secure electronic system maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to each of the three credit bureaus and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to remove the security freeze.
