Dear

I am writing on behalf of American General Life Insurance Company ("AGL") because we received notice that a check intended for you was delivered to another contract owner. The check included your name, address, and contract number. The unintended recipient promptly reported the incident and returned the check to their financial advisor who securely destroyed it. AGL takes all privacy concerns very seriously and we apologize for any undue concern or inconvenience this matter may cause.

While we have no indication your information has been or will be misused, we have arranged to have AllClear ID protect your identity for 12 months at no cost to you. The following identity protection services start on the date of this letter and you can use them at any time during the next 12 months.

Please note: Following enrollment, additional steps are required by you in order to activate your phone alerts and fraud alerts, and to pull your credit score and credit file. Additional steps may be required in order to activate all your monitoring options.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it. Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax (www.equifax.com); Experian (www.experian.com); and TransUnion (www.transunion.com) by regular, certified or overnight mail to the addresses below:

14583

Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348	Experian Security Freeze P.O. Box 9554 Allen, TX 75013	Trans Union Security Freeze Fraud Victim Assistance Department P.O. Box 6790 Fullerton, CA 92834
---	--	---

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail, include proper identification (name, address, and social security number) **and** include the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

If I may be of further assistance, please feel free to contact me directly.

Sincerely,

Melissa Cozart
