Dear <<Name 1>>:

Rennline Automotive, which operates the e-commerce store, rennline.com, values the relationship we have with our customers and understands the importance of protecting your information. We are writing to inform you that we recently identified and addressed a security incident that may have involved your information, specifically, your name, shipping and billing address, order information, payment card number ending in <<card last 4>>, card type, card expiration date, and the card verification code (CVV) (if provided). This notice explains measures that have been taken and some steps you can take in response.

We encourage you to closely review your payment card statements for any unauthorized charges. You should immediately report any such charges to the bank that issued your card. If reported timely, payment card network rules generally provide that cardholders are not responsible for unauthorized charges. Information on additional steps you can take can be found on the following pages.

We regret that this incident occurred and apologize for any inconvenience. To help prevent this type of incident from happening again, we are taking steps to strengthen the security of our website and have already moved to a more secure check-out method. If you have any questions about this matter, please call 877-890-8134, Monday to Friday, from 9:00 a.m. to 9:00 p.m., Eastern Time.

Sincerely,

Tom Rittenburg  
VP – Rennline Automotive Division

## **MORE INFORMATION ON WAYS TO PROTECT YOURSELF**

We recommend that you remain vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Massachusetts Attorney General's Office. Contact information for the Federal Trade Commission is as follows:

*Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue, NW Washington, DC 20580, [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft), 1-877-IDTHEFT (438-4338)

You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records.

Note that pursuant to Massachusetts law, you have the right to file and obtain a copy of any police report.

**Credit Freezes:** You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A security freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a security freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a security freeze may delay your ability to obtain credit.

There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

**Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)  
**TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)  
**Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five years, provide the addresses where you have lived over the prior five years
5. Proof of current address such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one business day after receiving your request by toll-free telephone or secure electronic means, or three business days after receiving your request by mail, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five business days and provide you with a unique personal identification number ("PIN") or password or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, or to lift a security freeze for a specified period of time, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to the credit reporting agencies and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze as well as the identity of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have one business day after receiving your request by toll-free telephone or secure electronic means, or three business days after receiving your request by mail, to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to each of the three credit bureaus and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have one business day after receiving your request by toll-free telephone or secure electronic means, or three business days after receiving your request by mail, to remove the security freeze.
