Re: [REDACTED] Docket # 19-101

Dear [REDACTED]

As you are aware, I recently filed litigation against [REDACTED] in the Hampden County Superior Court. That filing included an unredacted exhibit which contained his date of birth and social security number. That filing took place on February 15, 2019. I was made aware of this oversight on March 4, 2019. I immediately went to the Court Clerk's Office and redacted the information. I am in the process of notifying the Attorney General and the Director of Consumer Affairs and Business Regulations. Whatever other corrective action that may be required will be taken. Do not hesitate to contact me if you have any questions.

Sincerely,

Mark G. Morisi
