RE: Notice of Data Incident

Dear [REDACTED]:

In follow up to our February 28, 2019 conversation, Northeast Arc is writing to notify you of an incident that impacts the privacy of certain information relating to you that we maintained related to your employment with us. We take this incident very seriously and immediately took steps to investigate the incident. While we are unaware of any actual or attempted misuse of your information, we are providing you with information about the event, our response, and steps you may take to better protect against the possibility of identity theft and fraud, should you feel it is necessary to do so.

The confidentiality, privacy, and security of our current and former employees' information is one of our highest priorities. Northeast Arc has and is taking steps to prevent this type of incident from happening in the future.

As discussed, we've arranged for your current identity theft protection services through ID Experts®, the data breach and recovery services expert, to provide you with MyIDCare™ for an additional 2 years, at no cost to you. MyIDCare services include credit monitoring, CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services. With this protection, MyIDCare will help you resolve issues if your identity is compromised.

We encourage you to contact ID Experts with any questions by calling or going to their website, www.myidcare.com. MyIDCare experts are available Monday through Friday from 8 am - 8 pm Eastern Time. MyIDCare representatives can answer any questions or concerns you may have regarding protection of your personal information.

We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports and explanation of benefits forms for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets

access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian PO Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html	TransUnion P.O. Box 2000 Chester, PA 19016 1-888-909-8872 www.transunion.com/credit-freeze	Equifax PO Box 105788 Atlanta, GA 30348-5788 1-800-685-1111 www.equifax.com/personal/credit-report-services
---	---	---

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) to three (3) business days after receiving your request to place a security freeze on your credit file report, based upon the method of the request. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with the process by which you may remove the security freeze, including an authentication mechanism. Upon receiving a direct request from you to remove a security freeze and upon receiving proper identification from you, the consumer reporting agency shall remove a security freeze within one (1) hour after receiving the request by telephone for removal or within three (3) business days after receiving the request by mail for removal.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

You can also further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, your state Attorney General, or the Federal Trade Commission (FTC). The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580; www.identitytheft.gov; 1-877-ID-THEFT (877-438-4338); and TTY: 866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can also obtain further information on how to file such a complaint by way of the contact information listed above. Instances of known or suspected identity theft should also be reported to law enforcement, the FTC, and the Massachusetts Attorney General.

We understand that you may have questions about this incident that are not addressed in this letter. If so, you may contact us at 978.624.2478 or via email at sbrady@ne-arc.org.

We take the privacy and security of the personal information in our care seriously, and sincerely regret any inconvenience or concern this incident may cause you. Northeast Arc remains committed to safeguarding information in our care and will continue to take proactive steps to enhance data security.

Sincerely,

Susan Brady
Director of Quality Assurance and Compliance
