Dear (Name):

I am writing regarding a recent matter that involved the unauthorized acquisition of some personal information about you held by Fidelity Investments ("Fidelity"). Due to a processing error that occurred on February 21, 2019, Fidelity inadvertently associated your account with a client firm for which Fidelity provides compliance-related reporting services when their employees hold brokerage accounts with us. Your account should have been associated with Ernst & Young, but was associated with a different client firm. We became aware of the matter on March 14, 2019 after reviewing an email from that client firm alerting Fidelity of the matter. We researched the issue and made the appropriate corrections on March 14, 2019. Your information is no longer being sent to that client firm.

At this time, we are not aware of any misuse of your information. However, it is always a sensible precaution to remain vigilant for fraudulent activity or identity theft by regularly reviewing your account statement, monitoring free credit reports, and promptly reporting any suspicious activity. Fidelity has arranged for you to enroll, at your option, in a credit monitoring service for one year at no cost to you. This service allows you to monitor your credit reports and to detect any unusual activity that may affect your personal financial situation. It is provided by TransUnion Interactive, a subsidiary of TransUnion®, one of the three nationwide credit reporting companies. If you decide to enroll, please refer to the enclosed instruction sheet.

We take the protection of customer information very seriously and sincerely apologize for any concern or inconvenience this issue may cause you. If you have any questions regarding this situation, please feel free to call at (XXX) XXX-XXXX.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Myers".

The service also includes access to an identity restoration program that provides assistance in the event that your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

ADDITIONAL STEPS TO PROTECT YOURSELF

Police Reports

Under Massachusetts law, you have the right to obtain any police report filed in regard to a breach of security. Because of the accidental nature of this incident, which did not involve a theft, a police report was not filed. If you are the victim of identity theft, you have the right to file a police report and obtain a copy of it.

Directions for Placing a Security Freeze

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, it cannot charge you to place lift or remove a security freeze. In all other cases, a credit reporting agency may charge you up to \$5.00 each to place, temporarily lift, or permanently remove a security freeze.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax (www.equifax.com); Experian (www.experian.com); and TransUnion (www.transunion.com) by regular, certified or overnight mail at the addresses below:

| | | |
|-------------------------|--------------------------|------------------------------------|
| Equifax Security Freeze | Experian Security Freeze | Trans Union Security Freeze |
| P.O. Box 105788 | P.O. Box 9554 | Fraud Victim Assistance Department |
| Atlanta, GA 30348 | Allen, TX 75013 | P.O. Box 6790 |
| | | Fullerton, CA 92834 |

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning identity theft;
8. If you are not a victim of identity theft, include payment by check, money order, or credit card (Visa, MasterCard, American Express or Discover only). Do not send cash through the mail.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

Directions for Placing a Fraud Alert

You may want to consider placing an initial fraud alert on your credit file. A fraud alert tells creditors to contact you before they open any new accounts or change your existing accounts. You may call any one of the three major credit reporting companies to place an alert. The company you call is required to contact the other two, which will place an alert on their versions of your report. An initial fraud alert stays on your credit report for 90 days. When you place this alert on your credit report, you will receive information about ordering one free credit report from each of the credit reporting companies. Once you receive your reports, review them carefully for inquiries from companies you did not contact, accounts you did not open, and debts on your accounts that you cannot explain. Verify the accuracy of your Social Security number, address(es), full name and employer(s). Notify the credit reporting companies if any information is incorrect.

Directions for Obtaining a Credit Report

Please remember that while this matter may not involve significant risk, it is always good practice to take sensible steps to protect yourself by regularly reviewing your account statements and your credit report. As you may know, under federal law, you are entitled to one free copy of your credit report every 12 months from each of the major credit reporting agencies. You may obtain a free copy of your credit report by calling 1-877-FACT ACT (1-877-322-8228) or by visiting www.annualcreditreport.com.
