**Notice of Data Security Incident**

Dear <<FirstName>> <<MiddleName>> <<LastName>> <<NameSuffix>>,

We are writing to inform you of a data security incident that may have involved your personal information. We are writing to both inform you of the incident and to advise you about certain steps that you can take to protect your personal information.

Under Massachusetts law, you have the right to obtain any police report filed in connection with a data security incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

You may also place a security freeze on your credit report, free of charge. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services. Under federal law, you cannot be charged to place, lift or remove a security freeze.

To place a security freeze on your credit report, you must contact **each** of the three major consumer reporting agencies listed below:

**Experian Security Freeze**  
P.O. Box 9554  
Allen, TX 75013  
1-888-397-3742  
[www.experian.com/freeze/center.html](http://www.experian.com/freeze/center.html)

**Equifax Security Freeze**  
P.O. Box 105788  
Atlanta, GA 30348  
1-800-349-9960  
<https://www.equifax.com/personal/credit-report-services>

**TransUnion Security Freeze**  
P.O. Box 160  
Woodlyn, PA 19094  
1-888-909-8872  
<https://www.transunion.com/credit-freeze>

In order to request a security freeze, you will need to provide the following information:

1. Your full name and any suffixes;
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2

The consumer reporting agencies have up to three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze. It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must contact each of the consumer reporting agencies by mail, telephone, or through their website (using the contact information listed above) and provide proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze, as well as the identities of those entities or individuals you would like to receive your credit report. Alternatively, you can temporarily lift a security freeze for a designated period of time, rather than for a specific entity/individual, using the same contact information above. The consumer reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must contact each of the consumer reporting agencies by mail, telephone, or through their website (using the contact information listed above) and provide proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze. The consumer reporting agencies have three (3) business days after receiving your request to remove the security freeze.

In order to determine whether any unauthorized credit was obtained with your information, you may obtain a copy of your credit report at [www.annualcreditreport.com](http://www.annualcreditreport.com) or 1-877-322-8228. You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. A fraud alert is intended to alert you if someone attempts to obtain credit in your name without your consent. It is recommended that you remain vigilant for any incidents of fraud or identity theft by reviewing credit card account statements and your credit report for unauthorized activity. If you see anything that you do not understand, or that looks suspicious, you should call the bank that issued the credit or debit card immediately. You may also contact the Federal Trade Commission (FTC) to learn more about how to prevent identity theft:
